

# Town of Livermore Falls Planning Board Meeting Minutes January 22, 2015

**Members Present:** Russ Flagg, Fran Szostek, Merideth Carver, Mellissa Crocker  
Meeting called to order by Vice Chair Russ Flagg at 6:32 P.M.

**Consideration of minutes from December 17, 2014:** Russ mm to accept as submitted Fran s. (4-0)

**New Business:**

- A. Shoreland Zoning ordinance discussion about timber harvesting regulations. CEO Butler informed the board regarding a letter received from the Department of Agriculture, Conservation, & Forestry Maine Forest Service. Within the letter it requests that the Town of Livermore Falls clarify in its ordinance who is the enforcing agency for timber harvesting standards. Since the Maine Forest Service has training in that field CEO Butler felt it made sense to amend our Shoreland Zoning Ordinance to allow the State to have jurisdiction. Planning Board members agreed and CEO Butler was to work with the State on getting the correct wording so the State would have that authority. CEO Butler would also work on a draft for the board to review.

**Old Business:**

- A. Comprehensive Plan update/workshop: Planning Board members and CEO Butler worked on Minimum Analysis & Key Issues worksheet to use for the Comprehensive plan update. All notes are within that document which will be used for the updated plan.

**Other Business:**

- A. NONE

**Adjourn:** Russ mm to adjourn the meeting at 7:52 PM. Fran s. (4-0)
