

ANNUAL TOWN REPORT

LIVERMORE FALLS, MAINE
1988

Incorporated in 1843

*** DEDICATION 1989 ***

MARION P. HOOD

In March, 1960, Marion was elected Town Clerk and Treasurer of Livermore Falls, a position which she held until her retirement in March, 1979.

At that time the town office was in the basement of the Treat Memorial Library Building, and later moved to its present location.

Between the terms of former town managers, she served as 'acting town manager'.

Marion is a member of The First Baptist Church. She is also a past President of the Rebekah Assembly; I.O.O.F., of Maine.

In 1985 she was selected by The New Norland Grange No. 580 to receive the "Community Citizen Award", and a party was held in her honor on July 13, 1985 and a citation awarded.

REPORT TO THE CITIZENS OF LIVERMORE FALLS

As your State Senator, I continue to enjoy working with Joe Riordan, Chairman to the Board of Selectmen, Town Manager Maxine Bailey, your other municipal officials and the townspeople of Livermore Falls. Representative Dick Tracy is also a pleasure to work with -- he's doing a great job for you in Augusta.

This year has been especially challenging. As the Senate Chair of the Legislature's Joint Standing Committee on Energy and Natural Resources, I have the opportunity to work directly on environmental/public health issues concerning solid waste, water quality and forestry policy.

Please share your suggestions with me. My home phone number is 872-2631. I am delighted to be of assistance and am extremely proud to represent Livermore Falls in the Maine Senate.

Sincerely,

A handwritten signature in black ink that reads "Judy C. Kany".

Judy C. Kany
State Senator

STATE OF MAINE
HOUSE OF REPRESENTATIVES
AUGUSTA, MAINE 04333

REPORT TO THE CITIZENS OF LIVERMORE FALLS

January 1989

As your State Representative, my first concern is to be available to hear your feelings on proposed legislation which may have a direct effect on Livermore Falls and its residents. During session, I can nearly always be reached at the Capitol at 289-1400 or at my home, 397-4171. There is a 24-hour toll-free message center at the Capitol 1-800-423-2900. In addition, I am available in Livermore Falls as often as my legislative schedule permits.

The 114th Legislature convened on December 7, 1988, for the First Regular Session. The session should continue until late June.

I will do my best to help resolve problems or answer questions relating to State government agencies. I provide periodic mailings to your town officials and other interested residents. Should you desire to receive this important legislative information, please let me know.

I am proud to be representing Livermore Falls in the Maine Legislature.

Sincerely,

A handwritten signature in cursive script that reads "Richard H. C. Tracy".

Richard H. C. Tracy
State Representative

TOWN MANAGER'S REPORT

To The Selectmen and Citizens of Livermore Falls:

The past six months as Town Manager has been both interesting and challenging. The Police Department has gone thru some changes with two new patrolmen, one is now at the Police Academy. We have bought a new 1989 Police cruiser which was approved at the Special Town Meeting.

The Highway Department has also added a new employee and is about to hire a Mechanic. We also have a new truck which was approved at last year's Town Meeting.

The Treat Memorial Library has been completely renovated downstairs and we plan to have an open house very soon.

Our landfill is always an on going problem. We removed many of the tires last fall and are in the process of removing the metal pile. Hopefully we can keep it open a few more years.

I would like to thank the office staff, Selectmen and heads of departments for their help over the last six months.

Respectfully,
Maxine L. Bailey
Town Manager

SELECTMEN'S REPORT

To The Citizens of Livermore Falls:

Our Town is again faced with a number of problems. The sandfilter on the Moose Hill Road, will be replaced with a sewer line going over Souther Road to the existing Route 17 sewer line.

The landfill remains our main problem. We will within a short time have all tires and the metal pile removed. New dump stickers were issued and we are attempting to police the area to prolong its life. The landfill is very critical to all of us and we need the help of every citizen to make it last.

The Community Block Grant is coming to a close. The final stage is improvement in parking in the downtown area. Several new businesses have been started. Also a number of buildings in the downtown area have seen terrific improvement.

Another area where we will continue to improve, is in paving streets and roads. This has made Livermore Falls a better Town to drive in. We have been informed by the State, that the railroad crossings will be rebuilt this year.

The Town is undergoing a revaluation of properties this year. These values will be used, on the new tax bills, for this coming year. Mr. Page and Town Assessors will hold hearings for property owners, when the job is completed.

We wish to take this opportunity to thank our Town Manager, office staff and all other employees for their work this past year. They along with citizens and volunteers, make your Town a better place to live.

Respectfully submitted,

Board of Selectmen
Livermore Falls

Results of Special Town Meeting
April 18, 1989

- Article 1. Edward Cloutier nominated as Moderator
- Article 2. Vote No, 18-14, not to charge fees at the landfill
- Article 3. Voted No, to amend the landfill ordinance
- Article 4. Voted yes, to take \$20,000.00 from Surplus to remove metal pile at landfill
- Article 5. Voted yes, to take \$7,000.00 and interest from Police Reserve Fund and \$7,178.00 from Surplus to purchase new Police Cruiser
- Article 6. Voted yes, to take \$42,607.56 from Surplus to pay for new Highway dump truck rather than borrow on a three year note
- Article 7. Voted yes, to take \$2,180.95 from Surplus to pay Maine Tomorrow, which was not appropriated last year

Special Town Meeting Results
September 26, 1988

- Article 1. Edward Cloutier elected Moderator.
- Article 2. Yes Vote. To utilize \$12,041.15 in unappropriated Federal Revenue Sharing monies.
- Article 3. The Town voted to use \$20,000 from Surplus for rebuilding Souther Road Bridge.
- Article 4. The Town voted to turn over \$3,783.70 to MSAD #36 in State Teacher Certification monies.
- Article 5. The Town voted to take \$6,000.00 from Solid Waste Reserve for removal of tires from the Landfill.
- Article 6. The Town voted to Amend the Solid Waste Management Ordinance.

Meeting adjourned at 7:10 p.m.

TAX COLLECTOR'S REPORT

Under the July 1 through June 30 fiscal accounting period, annual reports must be prepared and printed prior to the end of the fiscal period and before the post-annual audit can be started. April 1 through March 31 has been selected as the most reasonable reporting period that can be offered to the voters for comparative information purposes.

Taxes are committed to the Tax Collector at the time the annual bills are mailed out, usually in August; and at the expiration of eight to twelve months, any unpaid balances are placed on lien and turned over to the Treasurer for collection. Any liens which are not paid in full, with interest and recording fees, foreclose after 18 months and become the property of the Town. Both the Treasurer and the Tax Collector accept partial or installment payments in order to assist taxpayers to avoid liens and foreclosures.

Current Taxes

1988/89 Commitment	1,372,368.91
Abatements (3/31/89)	1,037.72
Supplements (3/31/89)	23,032.31
Collections (3/31/89)	849,726.54
1988/89 Taxes Outstanding (3/31/89)	544,636.96

Excise Taxes

Auto and Boat Excise Tax (4/1/88-4/1/89)	184,479.75
--	------------

Tax Discounts

In order to encourage early payment of taxes, which helps the Town to avoid borrowing costs and to make higher investment earnings, the proposal for tax discounts is the same as last year which was very successful. If the entire bill (100%) is paid within 30 days of date of commitment a discount of 3% will be deducted from your bill. These discounts are to be funded from an \$11,500 appropriation.

PLUMBING INSPECTOR'S REPORT

This year 42 plumbing permits were issued:

New home septic systems	7
Trailer Hook ups	8
Internal permits	13
Replacement systems	6
Commercial permits	8

\$1,174.00 was taken in. \$293.50 was sent to the State and \$880.50 was retained.

Respectfully submitted,
Kent Mitchell
Local Plumbing Inspector

CODE ENFORCEMENT REPORT

To The Citizens of Livermore Falls:

Public safety inspections has been the priority of the Code Enforcement Department. Working with the revised Rental Housing Code to conduct inspections of multi-family housing and rental properties this department is correcting long standing deficiencies in these types of housing. In working with the General Assistance Administrator and the Health Officer many of the hard-core rental housing properties are either being closed for repairs or are being brought to code compliance.

Working with the State Fire Marshal's office in conducting commercial building and property inspections on new and existing units should prove to be an asset to the community in arousing public safety.

Additional time has been spent working with the CDBG program in compiling information for the housing rehab program and addressing complaints under the Dangerous Building Law and the State Junk Yard Control Law.

Goals to be accomplished by this department are development of an accepted zoning and building ordinance for protection of the homeowners and landowners of Livermore Falls.

Respectfully submitted,

Gary Kelly
Code Enforcement Officer

GENERAL ASSISTANCE REPORT

To The Town Manager, Selectmen and the Citizens of Livermore Falls:

The General Assistance Office has received 435 applications from April 1, 1988 to May 1st, 1989 representing an increase of 10% over last year's requests.

Assistance was provided to 684 persons from 290 different households. These figures represent 13% of the Livermore Falls population. We have been fortunate to receive some reimbursements for a percentage of the expenditures and we continue to encourage a client repayment for monies received whenever possible.

The Workfare program has been successful this year with 1,364 work hours having been completed. I would like to thank all town employees for their help in supervising the workfare participants.

Gary Kelly
General Assistance Administrator

POLICE DEPARTMENT REPORT

To The Town Manager, Selectmen and Citizens:

The members of the Livermore Falls Police Department received and answered 2,744 emergency calls requesting assistance. In addition, 578 uniform traffic summons and 188 parking citations were issued. There were 211 persons arrested or issued a criminal summons. Our officers investigated 229 traffic related accidents.

The continued support and cooperation extended by the citizens of Livermore Falls is greatly appreciated and has assisted the police officers of this department as they continue to do an excellent job of responding to, handling and following up on the numerous complaints. We stress the need for this support to continue in the future in order to keep the community a safe, secure and friendly place to live. We hope the residents feel confident that any assistance requested from the Police Department will be given by officers who have the knowledge and aptitude required and will render same in a sincere and professional manner.

As of this writing, Officer Gerald Cowles is attending the Maine Criminal Justice Academy and will be graduating on June 30th. In his absence, the department is being covered by the three full time officers and several reserve officers. Upon Officer Cowles graduation the department will be fully operational with four full time officers. All graduates of the MCJA. All reserve officers have now also completed the 100 hour training course. We will then be able to send each officer to school for specialized training courses. Each officer will become more proficient in a different field, rounding out the department and making it much more effective.

On July 1, 1988 the Dispatch Center was taken over by the Town of Livermore Falls from CES. All full time dispatchers attended classes at the Maine Criminal Justice Academy and became certified terminal operators. They will continue to attend various classes in the coming year to upgrade their training. There are now four full time and two part time dispatchers providing twenty-four hour service for the Police Department, the Fire Department and CES Ambulance.

Officer Thomas Gould received a Recognition Award from the House of Representatives and from the Livermore Falls Police Chief for his timely and diligent investigation of the burglary which occurred at the Western Auto Store. We are all very proud of this officer for his dedication, as well as all other officers of this department.

In closing, we wish to extend our thanks to CES Ambulance, the Officers of Jay, Wilton, and Winthrop Police Departments, the State Police, Androscoggin County Sheriff's Department, and all other municipal departments of Livermore Falls and the Board of Selectmen for all their assistance.

Respectfully submitted,
Ernest Steward, Jr.
Chief of Police

Below is a summary of some of the complaints investigated by the Police Department for the period April 1, 1988 through March 31, 1989.

Assault	49	Prowlers	8
Burglary	33	Atte pted Suicide	16

Parking Laws	25	Police Information	181
Criminal Threatening	21	Littering	7

PUBLIC WORKS REPORT

The landfill operation went through several changes this year. A new full time landfill attendant was hired, new hours set, new landfill permits issued, new stricter separation regulations imposed, and many years worth of old tires were hauled away. We still have several hundred tires plus a large metal pile to take care of this year. Hopefully by the end of the summer, all tires and the metal pile will be gone and a container system set up for future tire and metal removal. With the present separation regulations and good public cooperation, we hope to operate the existing landfill for several more years. The town's stricter dumping regulations are not meant to cause the users greater hardship but to save the taxpayers money. We conservatively estimate that our landfill operation saves us \$100,000 per year over a transfer station or incinerator.

Highway work this year included brush control, ditching, culvert work, drainage, sweeping, painting, and winter road maintenance. The snow fall was light this year but the freezing rain and ice made up for the lack of snow. We had just enough winter sand on hand to finish the winter season. Several Maine towns ran out of sand this year and had to put more up during the winter. A new Ford four wheel drive plow truck was added to the fleet and an old International truck was sold. Paving projects last summer included Depot Road, Stricklands Loop, Karn Road, Foundry Road, Pine Avenue, Sewell Street, Moose Hill Road, and Prospect Street. Some of this year's work will include garage improvements, storm separation, landfill upkeep, and daily maintenance of all town roads. Paving projects are not set at this time but we anticipate doing about the same amount as last year.

The Livermore Falls Treatment Plant ran well last year with no violations of the plant's discharge license. The average removal of solids and B.O.D. was 92%. The treatment plant, since starting up in 1975, has now processed over 3 billion gallons of wastewater from Jay and Livermore

Falls. As separation work continued over the past ten years the permit violations have decreased, and at the present we now meet or exceed the water quality standards at all times. The separation of six catch basins this summer will complete the original stormwater separation plan. Some of last year's projects were up grade of both pump stations, renewal of our sludge spreading license, replacement of some old brick manholes, and a new roof over part of the treatment building. This year's big project is the correction of the failed Poland Meadows sand filter. The installation of a force main, gravity sewer line from the sand filter to Rt. 17 will finally correct this problem, and open up development of this area.

Respectfully submitted,
Kent Mitchell
Public Works Director

FIRE DEPARTMENT REPORT

To The Town Manager, the Selectmen, and the Citizens
of Livermore Falls:

It gives me great pleasure to submit the Fire Chief's
report for the fiscal year of 1988-89.

The aerial ladder truck arrived in late August.
This truck is a great asset to our town.

Some of the equipment purchased this year was 1
truck radio, 2 Scottair packs and tanks, 20 new firefighting
jackets, hose, nozzles, gloves, training material and
many miscellaneous items.

A mutual aid agreement with Fayette is in process.

Training classes were held this year on the aerial
ladder truck, pump operation, hazard materials and general
firefighting. Six firemen became state certified as
Fire Fighter I after completing an 84 hour course given
by the Maine Fire Service and Training.

Burning permits are required for outdoor burning
and can be obtained from the fire chief. They must be
in your possession at the time of burning.

People should be reminded that if you are burning
wood, be sure that your chimneys are clean and safe.
This will prevent many chimney fires as well as costly
damages to your homes.

Sincere thanks to the Town Officials, Livermore
Falls Police Department, C.E.S. personnel and dispatches
as well as my department officers and firemen for all
their assistance in the past year.

The following calls were answered from April 15, 1988 to April 15, 1989:

LIVERMORE FALLS WATER DISTRICT

To The Citizens of Livermore Falls:

The Trustees of the Livermore Falls Water District hereby submit their annual report for the year ending December 31, 1988.

In October, 1986 President Reagan signed into law, the Omnibus Budget Reconciliation Act of 1986 and the continuing Appropriations Act of 1987. Among the provisions of these laws was a requirement that specific Federal Agencies sell certain assets. One of the agencies affected was Farmers Home Administration. The Omnibus Budget Reconciliation Act was amended by the Agricultural Credit Act of 1987 to provide Community Program borrowers the right to purchase their loans on very favorable terms, known as the Farmers Home Administration Discount Purchase Program.

At the time, the Livermore Falls Water District had four loans for forty (40) years each with Farmers Home Administration. The District had an outstanding balance of \$1,031,000.00, and a final payment due in the year 2021.

On July 7, 1988 the Livermore Falls Water District sold to Maine Municipal Bond Bank, a bond in the amount of \$620,110.38 for sixteen (16) years to buy back the Farmers Home Administration four loans.

The cost to the Livermore Falls Water District involved in buying back this amount of money was \$101,000.00. This amount added to the cost of the new bond with Maine Municipal Bank gave the District a saving of \$309,890.00 and a final payment due in the year 2004, which is a decrease of 17 years.

In April the system was flushed through the Hydrants, but because of low water in Moose Hill, the District was unable to flush in the fall.

The following projects were completed.

One (1) hydrant was replaced.
Two (2) hydrants were repaired.
Six (6) new services were installed.
Sixteen (16) service boxes and ten (10) service lines were repaired or replaced.

One (1) service line was discontinued.
Twelve (12) road boxes were repaired or replaced.
Two (2) main line leaks were repaired.
240 feet of 2" galvanized main line on Gagnon Street
between Otis and Bemis Streets, Livermore Falls
was replaced with copper tubing.

Other work done by the district personnel is considered routine.

In 1989 the District will be engaging the services of an engineering firm to do some exploring for underground water or the design of a water filtration plant, whichever is the most economical and best long range plan. This is being required by the Safe Drinking Water Act, the Department of Health Engineering in Augusta and because of the low water conditions the district has been experiencing in Moose Hill Pond in late years.

Respectfully submitted,
For the Trustees
Francis R. Merkle, Chairman

LIBRARIAN'S REPORT

1988

To the Trustees and other members of the Livermore Falls Library Association, I submit my 13th Annual Report.

Our Hardcover and Reference Books	23,804
Books from Augusta State Library	48
Books from Interlibrary Loan	59
Paperback Circulation	824
Magazine Circulation	<u>1,420</u>
Total Circulation	26,155

I attended several Central Maine Library District meetings during the month of March, sponsored by the Maine State Library. One of much interest to me was at the Gardiner Public Library, entitled "Merchandising Your Library". It gave us many ideas to make our library more attractive to our customers. Another very valuable roundtable meeting was on "Weeding Books". This workshop gave us the criteria we needed to decide how to identify and pull books that are obsolete, seldom used, damaged or inaccurate. Later in the year, we weeded many books that fell into these categories. The only way to keep our library up-to-date is to pull these outdated books.

National Library Week was observed from April 18-23rd. We set up several special displays and had a number of book drawings for our patrons.

"Garfield, Reading Is My Life" was the theme of our Summer Reading Program this past summer. The program ran for eight weeks, and was open to children from pre-school through eighth grade. Parents helped their children keep track of their reading time, and recorded it on a special calendar. As they returned their completed calendars to the library every two weeks, they received a star on their Garfield poster in our library.

Although our group was smaller this year, the children managed to read for over 800 total hours; which was more than the total for the previous year.

At the close of the program, certificates of completion were given out, as well as bookmarks and certificates for free ice cream.

The entertainment at the final program was Jan Sturtevant and her excellent presentation of guitar music and songs. In the final drawing for the stuffed Garfield donated by Wellbys Drug Stores, Mary Blais was the lucky winner.

This was the fourth year that we have participated in the Reading Rainbow program. We made displays of the books that were featured on the WCBB television program of the same name. The children and parents really responded to this program, as they are eager to check out the books featured on the television show.

We welcomed 241 new customers to the library this past year, and added 964 books to the shelves. We did a large "weeding" of several obsolete books and our total volume count is now 18,965.

We took part in the Book Review meetings at Farmington again this year. These preview meetings are sponsored by the Maine State Library and give us an excellent opportunity to see what is new in the world of books.

We are also receiving the Traveling Book boxes loaned to us by the Maine State Library, as well as Large Print Books for our special customers.

In September we were presented with a new American flag by Commander Tim Getz on behalf of the Frank L. Mitchell Post 3335, VFW. This replaced the previous flag which was becoming very worn.

Through the sponsorship of the Mountain Valley Training Program we were pleased to have Terri Gay helping us as a career aide this past summer. The program gives high school students the opportunity to acquire work experience.

We also continued the Children's Storytime, held on Mondays at 1:30 p.m. We again want to thank Mrs. Rebecca Bowie, who coordinates this program for the pre-school children, and all the other parents who assist her. It is a very worthwhile program and we hope to have more new listeners this year.

We also conducted library tours for several groups of children.

We want to extend our special thanks to Mrs. Doris DeMillo for all the volunteer time that she gave us during the past year.

In closing, we want to thank our many customers for their patronage, they have helped us have another successful year. We are now looking forward to a great 1989.

Respectfully submitted,

Sheila Dorey

1989 TOWN MEETING WARRANT

To: Ernest N. Steward, Jr., a constable of the Town of Livermore Falls, in the County of Androscoggin, State of Maine:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Livermore Falls in the County of Androscoggin in the State of Maine, qualified by law to vote in Town affairs, to meet at the Fire Station in said Town of Livermore Falls on Monday the 12th day of June, AD 1989 at 8:45 o'clock in the forenoon, then and there to act on the following articles to wit:

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To choose by secret ballot in accordance with Title 30 Maine Revised Statutes Annotated Section 2061 all necessary Town Officials including one Selectman/Assessor for a three year term; one Selectman/Assessor for a two year term; three Directors to School Administrative District No. 36 for three years; one Director to School Administrative District No. 36 for a two year term.

NOTE: The polls for elections of officers will open at approximately 9:00 o'clock (9:00 a.m.) in the forenoon and close at six o'clock (6:00 p.m.) in the evening. At the closing of the polls the meeting will recess and reconvene at seven o'clock (7:00 p.m.) in the evening on Tuesday, June 13, 1989 at Murray Hall for the purpose of acting on the remainder of the Articles.

ARTICLE 3. To see if the Town will vote to fix dates when taxes shall be due and payable, and see if the Town will fix a rate of interest to be paid on taxes unpaid after such date.

Recommendation: That 12% per annum be charged commencing on December 2, 1989 on all first 1/2 year tax payments not paid on or before December 1st, 1989 and that 12% per annum be charged commencing on May 1st, 1990 on all second 1/2 year tax payments not paid on or before April 30, 1990.

ARTICLE 4. To see if the Town will authorize a tax discount of three percent (3%) of the entire tax bill if the bill is paid in full within 30 days of commitment of taxes, and raise by taxation and appropriate \$11,500.00 to fund said discounts.

NOTE: This will allow a one-time discount of 3% on property taxes if paid in full (both the 1st and the 2nd half) within 30 days of commitment of taxes.

ARTICLE 5. To see if the Town will fix a time period after which interest will be charged on unpaid sewer assessments and to see if the Town will fix a rate of interest to be charged on sewer assessments not paid within said time period.

(Selectmen and Budget Committee Recommendation: That 12% per annum prorated daily be charged on sewer assessments not paid within 60 days of the quarterly billing due date with said interest commencing on the first business day following said 60 day period.)

ARTICLE 6. To see if the Town will authorize the Selectmen on behalf of the Town to retain, sell or dispose of any real estate acquired by the Town of non-payment of taxes thereon, on such terms as they may deem advisable and in the Town's best interest, and to execute quit claim deeds for such property.

ARTICLE 7. To see if the Town will authorize the Selectmen acting in their capacity as sewer system trustees, to on the Town's behalf, retain, sell or dispose of any real estate acquired by the Town for non-payment of sewer assessments thereon, on such terms as they may deem advisable and in the Town's best interest, and to execute quit claim deeds for such property.

ARTICLE 8. To see what sum, if any, the Town will vote to raise and appropriate for Administration.
