

2011

LIVERMORE FALLS TOWN REPORT

Town of Livermore Falls Incorporated 1843

We would like to recognize all of the Town employees this year, some with over two decades of service to the Town of Livermore Falls. The last few years have brought budget cuts and loss of manpower, and still the employees manage to keep the Town running smoothly. We want to recognize their loyalty, dedication and commitment to this community. Hats off to all of you. Keep up the good work!

Pictured on the front cover are some, but not all, Town Employees. Front row from left: Susan Sapiel, Kristal Flagg, Amanda Leclerc, and Dawn Young. Second Row: Bill Nichols, Ernest Steward, Nels Hawkins, Alan Chretien, Carroll Bowie, Gerry Pineau, Billy Cummins and Veronica Duguay. Back row: Willard Parker, Warren Smith, Rodney Lake, Shane Caron, Tom Mitchell and Warren Bryant.

Town of Livermore Falls
2 Main Street
Livermore Falls, ME 04254

Dear Town of Livermore Falls:

As the new session of Congress began, I was honored to become the longest, currently serving member of the U.S. Senate to have never missed a roll call vote. As the 111th Congress ended, I cast my 4,563rd consecutive vote. It is a privilege to represent you in Washington, D.C. and I appreciate this opportunity to share some of my recent work as we look forward to the opportunities and challenges that lie ahead in the 112th Congress.

Creating jobs and strengthening our economy remain our nation's most pressing challenges. Far too many families and individuals throughout Maine and our nation are still suffering from a sluggish economy and high unemployment. That is why it was so vital for Congress to extend the 2001 and 2003 tax relief laws. I strongly supported a two-year extension because allowing these laws to expire would have resulted in one of the largest tax increases in our nation's history, and job killing tax hikes could well have plunged our economy deeper into recession.

Last year, I spoke to small business owners throughout Maine who told me that a tax increase could result in a loss of jobs and threaten the viability of their businesses. It is good news that Congress passed the two-year extension of these tax relief laws before 2010 came to a close, providing more certainty to businesses and relief for all taxpayers.

After years of repeated but unsuccessful attempts by the Maine delegation to address the federal truck weights law, I authored a successful truck weights pilot program in 2009 that was in effect for one year. The pilot program permitted trucks weighing up to 100,000 pounds to travel on Maine's federal interstates, where these trucks belong, rather than being diverted to secondary roads, through small communities, downtown areas, and school zones. The benefits have been evident: improved safety, lower costs, reduced energy use, and reduced emissions. I was disappointed that the U.S. House of Representatives failed to take action either to extend the pilot program or to make it permanent. Making the truck weights program permanent will be one of my top priorities this year and will be the first bill I introduce in the new Congress.

The President signed into law a number of bills that I authored or coauthored. I was proud to join Senator Joe Lieberman in leading the effort to repeal the so-called "Don't Ask, Don't Tell" law that applied to our armed forces. This long-overdue repeal enables the U.S. to join 35 of our closest allies in welcoming the military service of any qualified individual who is willing and capable of serving our country.

My efforts to counter the smuggling of illegal drugs across the Canadian border into Maine, and vice versa, were advanced when the President signed the "Northern Border Counternarcotics Strategy Act." I was the lead Republican sponsor of this law, which requires the Office of National Drug Control Policy to develop a counternarcotics strategy similar to that of the Southwestern border in collaboration with our Canadian partners. The Senate Homeland Security Committee also conducted an extensive investigation into the Fort Hood terrorist attack. We will soon release a report with recommendations on how to reduce the possibility of such an attack in the future.

Former Senator Evan Bayh and I authored a new law that establishes a new Advisory Council to develop a national plan for combating Alzheimer's disease. For the first time, this law charges federal agencies to develop a strategy to advance efforts to fight this devastating disease, at no additional cost to taxpayers. As far too many people know, Alzheimer's disease inflicts pain and hardship on families, and costs Medicare and Medicaid billions, yet our nation has been lacking a national strategy to focus on this disease.

Maine's natural resource industries are essential to our prosperity. Last October, along with other Delegation members, I testified at an International Trade Commission hearing that resulted in a ruling that Chinese and Indonesian paper companies had been engaging in illegal trade that is unfair to our domestic industry. During the debate on the Food Safety Modernization Act, I successfully advocated for an amendment, backed by Maine's small and organic farmers, to protect our small farms from excessive regulation.

In my ongoing efforts to save jobs in Maine, I succeeded in convincing the EPA to rework regulations known as "boiler MACT" in a manner that protects the environment and public health without jeopardizing jobs in the forest products industry. I also authored successful legislation to provide small contractors more time to comply with EPA lead-based paint regulations. The high fines for non-compliance would have put many small contractors in Maine out of business.

Working with the University of Maine, I helped advance the development of deep water, off-shore wind energy. Last summer, Energy Secretary Steven Chu visited UMaine at my request, which resulted in an announcement that the Department would dedicate \$20 million to develop and test deepwater offshore wind technologies. UMaine remains on the cutting edge of this work, which has the potential to create 15,000 jobs.

I secured funding for a number of important transportation projects in 2010. For example, following my request, U.S. Transportation Secretary Ray LaHood announced that the Department would award \$10.5 million for Maine's effort to save freight railroad service in Northern Maine, and \$20 million for the rehabilitation of the Memorial Bridge between Kittery and Portsmouth.

As a member of the Senate Armed Services Committee, I worked to ensure that our men and women in uniform have the resources and support they need to protect our freedom. In 2010, I supported efforts to improve health care and other services for our military personnel and veterans, and authored key provisions to strengthen our national defense by supporting the vital work at Bath Iron Works, the Portsmouth Naval Shipyard, Pratt & Whitney, the Maine Military Authority, and other Maine industries. Following my letter last year to the President's top budget official urging him to include increased funding for the DDG-51 program in next year's budget, Defense Secretary Gates recently announced that the Pentagon would seek an additional DDG-51 in its five-year budget.

The 112th Congress will bring extraordinary challenges as we work to improve the economy, lower the unemployment rate, seek ways to reduce federal spending to bring the federal debt under control, and debate a host of other important issues. I am grateful for the opportunity to serve the Town of Livermore Falls and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Lewiston Office at (207) 784-6969, or visit my website at <http://collins.senate.gov>. May 2011 be a good year for your family, your community, our state and our nation.

Sincerely,

Susan M. Collins

Dear Livermore Falls residents and friends,

Maine continues to face many challenges. As I travel across our state, I am inspired by stories of innovation and entrepreneurship, yet there is much more we need to do to improve our economy and create jobs.

That is why I am working so hard to improve our nation's trade policies and ensure that Mainers are competing on a level playing field. I was especially pleased that the International Trade Commission found in favor of U.S. paper manufacturers and their workers who filed a petition against Chinese and Indonesian companies that illegally dumped subsidized paper into our market. I worked hard to support this petition, and the tariffs that now apply to these imports will help keep Maine companies competitive and allow them to create and retain good paying jobs.

Our state is also making important strides in developing the types of jobs and economic opportunities that can only be done here in Maine. For example, when Eastport partnered with a U.S.-based company to act as an embarkation port for 500 dairy heifers heading to Turkey, congressional efforts were able to help cut through red tape and bureaucratic challenges. Moreover, the entire bipartisan congressional delegation has successfully urged the federal permitting agency to begin the process for a long-term certification of the Port of Eastport as a livestock exportation facility.

To that end, I cosponsored and helped pass into law last year the "America COMPETES Act," which will create jobs through innovative technology loan guarantees for small and mid-sized manufacturers. I was pleased that two amendments I offered also made it into the final bill ensuring that when implementing the bill federal agencies work together to prioritize the needs of small businesses and that those communities most hurt by our trade agreements will be given special consideration. There are too many small businesses that are struggling to survive, and we must listen to these independent owners when they tell us what they need to grow and create jobs.

However, my biggest commitment is to quality constituent services. Please do not hesitate to contact me at my Lewiston office at 207-782-3704 or by emailing me through my website at www.house.gov/michaud. While on my website, I also encourage you to sign up for occasional e-mail updates on issues important to Mainers and to join me on Facebook or Twitter.

Thank you again for the opportunity to represent you in Congress.

With warmest regards,

Michael H. Michaud
Member of Congress

Annual Report to the Town of Livermore Falls

A Message from Senator Garrett P. Mason

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate, and I am grateful for the trust you have placed in me to work for the betterment of our region.

The State of Maine, like many of us, is experiencing tough economic times. Currently the state is facing an estimated \$800 million revenue shortfall for the next two-year budget. In order to bring the budget into balance, the Governor, along with the Legislature, must make some significant changes in the way state services are delivered and how taxpayer money is spent. We are committed to crafting a budget that reins in the unsustainable growth of state government, prioritizes core services like public health and safety, education, a safety net for our most vulnerable citizens, and our transportation infrastructure. Despite the challenges we face, this is an opportunity to make state government more efficient, reduce the size of the bureaucracy, carefully review the effectiveness of current programs, and set Maine on a new course.

One of our first orders of business when the 125th Legislature convened in December was the passage of LD 1, *An Act To Ensure Regulatory Fairness and Reform*. The bill recognizes that one of the biggest impediments to job creation and keeping our young people in Maine is the regulatory burden the state currently imposes on business. Given this, LD 1 proposes to reach out to businesses and workers to identify duplicative and unnecessary regulations and eliminate or propose changes to these regulations in order to improve the business climate and encourage job creation and retention and expand opportunities for Maine people.

I am hopeful that by reining in state spending, prioritizing our wants and needs and developing strategies for improving our business climate, we can put Maine back on track toward prosperity and create the opportunities that will keep our young people here in Maine.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to help in any way that I can. I can be reached in Augusta at 287-1505 or by e-mail at sen Garrett.mason@legislature.maine.gov.

Sincerely,

Garrett P. Mason
State Senator

February 2011

Dear Friends and Neighbors:

Thank you for the opportunity to return to the Maine State Legislature as your representative. It has been an honor to serve as your voice at the State House for the last four years and I will continue to work hard on your behalf.

Governor LePage has been inaugurated, constitutional officers have been sworn in, and the Legislature is in the process of confirming those who have been nominated to head state agencies. One of our neighbors from Livermore Falls, Darryl Brown, has been confirmed as the new head of the Department of Environmental Protection.

Bills have been submitted and many have been referred to committee. I have introduced bills that address a number of wide-ranging state issues, including the motor vehicle excise tax, doe permitting, voter registration, and the taxation of military retirement pensions.

Throughout the 125th Legislature, I will be serving as the chair of the Joint Standing Committee on Taxation. The jurisdiction of the Committee on Taxation includes: the Bureau of Revenue Services and State Property Tax Review Board, taxes, tax exemptions and credits, property valuation and assessment, municipal revenue sharing, taxation of unorganized territories, and much else. The jurisdiction of the Committee on Taxation will prove to be influential as the 125th Maine State Legislature works to implement policy that will revitalize Maine's economy.

Lawmakers will need to make difficult, smart, and informed decisions to improve the economic situation of our state. In 2010, I was proud to receive a "very strong" rating from the Maine Economic Research Institute indicating that my voting record demonstrates support for business and for economic growth. This is a record that I will certainly uphold as my colleagues and I work to streamline our government, improve our business climate, and create a more prosperous state of Maine.

Please do not hesitate to contact me with any thoughts, concerns, or questions that you may have. Our representative form of government works best when we all get involved.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Gary Knight".

L. Gary Knight

I wish to thank all the people of Livermore Falls for their continued support this past year. Kristal Flagg is our new Town Manager and hopefully she will fill this position for a long time. The position of town Treasurer, which Kristal previously held, is now vacant. This would be a good opportunity to amend this position from elected to appointed. I am personally asking the people of Livermore Falls to support this change at the polls.

Next year looks to be both exciting and challenging with the upcoming route 4 project and the hospital looking to build in town. This will create a bit of a hardship for people driving through the town as well as for the businesses along the route, so I am asking the towns' people to please be patient and continue supporting the local businesses that ensure the town of Livermore Falls continues to thrive.

I wish to thank all the town employees for their services in this difficult time with budget cuts and loss revenue. You should all be proud that you have been able to continue providing the services you have made available with less supplies and manpower. I wish to thank all the volunteers who give their time to serve on the boards and committees in town. Without these volunteers, the town wouldn't be able to perform all the duties required of the town by law. I hope to continue to serve the people of Livermore Falls in the future.

Respectfully,

William Demaray
Chairman, Board of Selectmen

Dear Citizens of the Town of Livermore Falls;

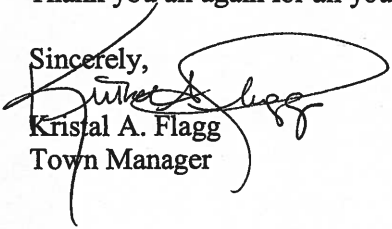

I am honored and pleased to have been appointed as the Town Manager of my home town. The past 23 years, serving as your elected Town Treasurer and Clerk, has been an experience I have enjoyed and have been proud of. I thank each and every one of you for your votes and support in these past years of my service.

As Town Manager I am aware that our town, like many other communities across the country are being faced with rising costs of our daily operations. This will be a challenge to maintain our town at the level that the community needs, while keeping costs down.

We have exciting happenings that have come to be for our town. We have the completion of the bike/pedestrian path and the hospital is going to construct a facility in our down town area. Our schools have consolidated with Jay, and we have the Chisholm Trails tying the rails and river for recreation. Without the great dedication of the communities' volunteers, committees and our dedicated employees and board members, none of this would come to be. I also want to recognize and thank all of our businesses in our community for their loyalty to this community.

It's been a pleasure working for our town and I'm looking forward to serving our community as Town Manager for many more years to come. Thank you all again for all your support, it's greatly appreciated.

Sincerely,

Kristal A. Flagg
Town Manager

February 17, 2011

Dear Neighbor,

Board of Directors

Louis Chabot
Michele Coates
Tricia Cook, President
Cindy Peart, Treasurer
Gary Knight
Jackie Knight
Phil Poirier
David Robie
John Ross, Vice President
Kathleen Szostek
Heidi Wilde, Secretary

At large members:
Alison Hagerstrom

On behalf of the Board of Directors, thank you for your generous support of the Livermore Falls Downtown Betterment Group. Through the membership of over 23 individual and business members and with citizen approval of \$1000 from the town, we have a bank balance of just over \$4000. Our goal is to reinvest every penny of it into the town, in part, through a program launched this year called, "Take Pride Initiative." One thousand dollars has been put aside in matching funds for downtown businesses to access when they invest in the beautification of their properties. Details of the program can be found on our website: <http://www.lfme.org/betterment/>

This year also saw the growth of our relationship with the Androscoggin Land Trust through Chisholm Trails (www.chisholmtrailsmaine.org) and other community groups to push for a multi-use trail system connecting the Whistle Stop Trail to downtown Livermore Falls. As an off shoot to this project, we supported the town's Safe Routes to Schools grant application to MDOT. This grant would allow us to build sidewalks that will connect the high school and middle school to the trails.

Our Economic Development committee has been hard at work gathering data and designing a marketing plan which includes the "Doing Business in Livermore Falls" promotional brochure that is available in the town office, online and through the JLLF Chamber of Commerce. Their next item of business is to conduct a space analysis, mapping assets and vacancies to use for business attraction.

Several members of the Betterment Group sat on the Public Facilities Committee; formed to ask needed questions and to ultimately lend support to Franklin Memorial Hospital's bid to expand services in this area through a new Medical Arts Center. Please see: <http://www.fchn.org/news/post/board-approves-medical-arts-center>

This year we plan to focus on building community and have planned several community gatherings – just for fun. In the meantime, we would like to invite you to join us. We meet every last Tuesday of the month at 5:30pm, either at the town office or at the library. We'd love to see you at the table. On that note, I'd like to share a poem by Margaret Wheatley.

Sincerely,

Tricia Cook

TURNING TO ONE ANOTHER

There is no power greater than a community discovering what it cares about.

Ask: "What's possible?" not "What's wrong?" Keep asking.

Notice what you care about. Assume that many others share your dreams.

Be brave enough to start a conversation that matters. Talk to people you know. Talk to people you don't know. Talk to people you never talk to.

Be intrigued by the differences you hear. Expect to be surprised. Treasure curiosity more than certainty.

Invite in everybody who cares to work on what's possible. Acknowledge that everyone is an expert about something. Know that creative solutions come from new connections.

Remember, you don't fear people whose story you know. Real listening always brings people closer together.

Trust that meaningful conversations can change your world.

Rely on human goodness. Stay together.

-Margaret Wheatley

To the citizens and businesses of Livermore Falls,

I am submitting the year end report for the Fire Department that serves the community. I took the Fire Chief's position at the end of June 2010, since then we have examined our operations, fleet, and building. We have taken steps to improve our management team to run our department that consist of 31 employees. We improved our radio communications to better serve you and for the safety of the employees serving in the Public Safety Departments. We have realigned our fleet and deleted obsolete equipment. We are planning for future fleet purchases to provide the same services with fewer vehicles. We have examined our retention and hiring for the department and have reinforced a strong harmonious work place environment for current employees while attracting new candidates. We are creating interdepartmental infrastructure that will continue supporting the Fire Department to keep evolving with the changing times and continually delivering high quality service. We have strengthened our relationship with all town departments with in our community. Lastly, we have become major supporters of creating policies and emergency ground tactics used regionally with our neighboring communities to provide safe and seamless response to incidents.

I would like to take this opportunity to thank the Town of Livermore Falls for allowing me to take the lead position at the Fire Department. I am extremely proud of my Officers & Firefighters for their work and dedication. I would also extend my thanks to the families and friends of our Officers & Firefighters who support and sacrifice for us so we can provide the community with our services. To the citizens and business of Livermore Falls thank you for your support, we serve you proudly.

Respectfully,

Chief Gerard "Gerry" Pineau, LFFD

Chief Ernest Steward Jr.
2 Main Street
Livermore Falls, Maine 04254
897-3424 Fax 897-4340

March 22, 2011

To the Town Manager, Selectmen and Citizens;

In 2010 the Livermore Falls Police Department received and responded to 3954 calls for emergencies and/or assistance. In addition, 115 arrests were made, 203 criminal summonses issued, 114 traffic summons issued and 1662 traffic warnings and/or defects were issued.

The dispatching for the police department has been fully intergraded with the County Dispatch and we are now connected to the county dispatch record system. This conversion to the County Records system has created some issues in the attached activity report. The bottom line totals are accurate but the categories had to be blended with the new ones. The other problem was that half the records this year were on the in house system and had to be converted to match the County System then added to it.

Sergeant Joseph Sage resigned 11/7/2010 as a full-time officer to go to work at Rumford PD. We are currently reviewing applications to fill his position. He has asked to remain on this department as a reserve officer. In order to keep costs down and maintain an adequate Police response, the Administrative Assistants' position has been removed from the next budget. As of **July 1, 2011 THE LOBBY WILL BE CLOSED IF YOU COME TO THE OFFICE TO SEE AN OFFICER, USE THE CALL BOX ON THE WALL AT THE RAMP ENTRANCE.**

Remember, ALWAYS call 911 in an EMERGENCY.

Non Emergency calls to Dispatch 897-3424 Press 0 when automated system starts.

As always, we are dedicated to providing safe and effective public safety services to the citizens of Livermore Falls. I encourage you to contact me with any comments or concerns regarding the police department that you might have.

Thank you, for all the Citizen Support and assistance. I would also like to thank the Selectmen and area Departments for their assistance, cooperation and understanding.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Ernest Steward Jr.".

Ernest Steward Jr.
Chief of Police

2010 Public Works Report

The Highway Department had a very successful year with getting our road projects completed. We replaced the culverts on the Record Road and Rampart Bituminous reclaimed the existing road in place and put cold mix asphalt on. We also reclaimed Strickland Loop Road and put cold mix asphalt on this road.

This winter has been a challenge with having the work force reduced; fortunately we have some great spare drivers to help out with plowing and hauling snow. The crew is doing an excellent job on taking care of the roads and the equipment. We did have a break down on the snow blower which set us back a couple weeks, but that has been the only major break down we have had this winter. We have had 22 events to date and have used 1600 yards of sand and 500 tons of salt.

Residents of Livermore Falls have benefited from some joint services we have with our surrounding communities. For the past couple years we have joined Jay and Wilton on purchases of road culverts, paint for our cross walks and winter sand. All three Towns shared equipment and man power on street sweeping; this benefited our Town with having the ability for our small crew to complete more tasks.

This year we would like to replace our 1994 backhoe, it has 8000 hours on it and is need of some major repairs. I believe it will still bring some value for trade-in to save a little money on a purchase of a new machine. Our paving this year will be a shim and overlay on the Campground Road. starting at the Jug Hill Road and going as far as we can with the funds we have.

Capital improvements is something we have to start doing in Livermore Falls such as sidewalk replacement and storm drains. This is all very expensive but is something that has to been done in the very near future.

Sincerely
Bill Nichols

2010 Transfer Station Report

The single sort recycling has gone very well. Our recycling has increased. Our amount of household trash has dropped by 25 ton per month and we are currently paying \$56.85 a ton for household waste and there is no tipping fee on recyclables. We are trying to get maximum compaction in the containers to save on hauling costs, sometimes we can not get a truck here soon enough to swap out the containers so we have to put trash or recyclables in the old building until we get a new container swapped out.

I believe the reduction for household trash is due in part to the new hours and being able to monitor the contract haulers at our facility. Last year we did a Household hazardous waste collection day with the Town of Jay, we had several residents participate in this program and have just set the date for this year of June 4 at the Jay transfer station.

Total tonnage for 2010

Municipal Solid Waste	1032
Recyclables	198
Demolition & Brush	137
Metal	39

Thank You
Bill Nichols

TREAT MEMORIAL LIBRARY

LIBRARIAN'S REPORT

2010

In the year 2010, at Treat Memorial Library our patrons have saved over \$274,220.00 by there using the library instead of purchasing their own books, CD's, DVD, Magazines, etc. The library has also made many changes within the library and made some new friends.

The library started a local column in the newspaper, has a Facebook page, and the web site is in the process of having some changes made.

This summer our reading program was Be A Star @ the Library. We had many children participate in the program and finished the summer with Mr. Harvey as our final show for the season. We wish to thank Theresa Timberlake, Fran Goodine, Cheryl and Scott Mills, and Peggy Dwyer for helping with the evening activities for the children. Also a special thank you to Myra Rosenbaum, Nick Berry, and Elizabeth Rosenbaum for their much needed help in putting on the summer reading program.

The end of the Summer Reading program saw the retirement of Fran Goodine as the Director. Fran had been with the library for 33 years, the last five as director. We will miss her dearly.

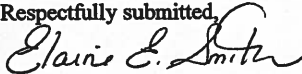

We had our annual Book Sale during the Apple Pumpkin Festival. Thanks to all who came by and got some great bargains that weekend. Thanks goes to Tina Decker, Logan Rodzen, Elizabeth Rosenbaum and Nick Berry in helping with the set up, the sale, and the take down. We could not have done it with out you.

We received a grant this past year an with that fund we were able to get two new updated computers for staff use, three new computers for the public use and three new printers were also purchased. We now have Wi Fi available to the public with the capability to use one of the printers.

Fall came and many new programs started at the library: a weekly preschool story time with ms. Cindy (Cindy Ortiz), a monthly Book Lovers Cafe, Family game night, monthly Crafters Showcase, and Treat Memorial Bookworm group for teenagers. They are off to a good start, with more programs to come.

In 2010 we paid in to the Maine InfoNet so that our patrons in 2011 will be able to download e books and audio books from the Download Library on the web free of charge.

This being my first year as Director of the Library I would like to say thank you to the Patrons, Trustees, and other librarians for their faith in me, their kindness to me, and their helpfulness. Most of all I would like to thank Myra Rosenbaum, the Assistant Library Director, for her much needed help, kindness and knowledge in making the library a great place to be and work. Myra is a great asset to our library.

Respectfully submitted,

Elaine E. Smith
Director

TAX COLLECTORS REPORT

Under the July 1 through June 30 fiscal accounting period, annual reports must be prepared and printed prior to the end of the fiscal period and before the post annual audit can be started. May 1st through April 31st has been selected as the most reasonable reporting period that can be offered to the voters for comparative information purposes.

Taxes are committed to the Tax Collector at the time the annual bills are mailed out and at the expiration of eight to twelve months any unpaid balances are placed on lien and turned over to the Treasurer for collection. Any liens which are not paid in full with interest and recording fees foreclose after eighteen months and become the property of the Town. The Treasurer and the Tax Collector accept partial or installment payments in order to assist taxpayers to avoid liens and foreclosures.

Taxes Committed for 2010/2011	\$ 3,041,600.00
Local Real Estate Valuation	123,930,270.00
Local Personal Property Valuation	22,300,500.00
Total Valuation	\$ 146,230,770.00
Mill Rate 20.80 per Thousand	

This year the Selectmen are not offering the discount and we are hoping to get the tax bills out by August in order to get revenue in sooner. The due dates will remain the same. This year, if passed by the voters, the first half will be due on October 19, 2011 and the second half will be due March 21, 2012. Please remember that any amount unpaid by the due date will start accruing interest the next day.

Respectfully Submitted,
Dawn Young, Tax Collector

2010 Sewer Department Report

In 2010 the Livermore Falls Treatment Plant treated 200,000,000 gallons of wastewater with no violations of our State or Federal discharge license. The State requires 85% of all pollutants be removed. We averaged over 93% removal. We processed 1,786,800 gallons of sludge, which resulted in 198.5 tons of dewatered material. This was transported to New England Organics in Unity to be composted and recycled into useable topsoil. We also used over 2000 gallon of hypochlorite to reduce bacteria levels in the effluent to meet discharge limits. All in all the plant ran very well. I have two great helpers in Tom and Nels, which makes my job much easier.

Everything is now in place for the Main Street sewer project to proceed this summer. The only thing to say is, "better late than never".

We had a dry summer with lower than average river flows. It was feared that the river would have some algae blooms caused by the higher concentration of phosphorus during low flow conditions. The blooms did not happen and we don't look for any changes in our phosphorus limits. This is good news but we would still like to see sewer users buy the low phosphorus products for home use.

Our old collection system is bothersome on an almost weekly basis. Some of the problems are unavoidable root infestation, but more frequently the problem is caused by material that is flushed down home drains. Sewer users should put nothing down their drains but normal waste. No handiwipes, no feminine hygiene products, no flushable toilet pads, no paper towels, no grease. Just water and waste period!! The cost to take care of these unwanted materials is significant and is passed on to the sewer users. So save yourself money and use the waste system wisely.

Kent Mitchell
Superintendent

Livermore Falls Water District
20 Depot Street
Livermore Falls, ME 04254
Telephone (207) 897-3445
Fax (207) 897-5644
E-mail: lfwd@midmaine.com

To the citizens of Livermore Falls:

February 3, 2011

The Trustees of the Livermore Falls Water District hereby submit this annual report for the year ending December 31, 2010.

This past year we did not take on any major water main replacement contracts but instead focused our attention on in house projects. The next expected replacement and/or upgrade is the 1.1 miles of water main included in the MDOT Main St. project which is projected to go out to bid in February of 2011.

In House projects:

- Installed three new 6" gate valves on Millet, Green and Monroe Streets. These are valves needed for isolation purposes to minimize disruption of service in preparation for the Main St. Project when it is accomplished.
- Installed a new hydrant at the VFW on Rt. 133 in Jay. Fire flow was increased due to the fact that the old existing hydrant was off a 6" CI main and the new hydrant was tapped into a 12" AC main.
- Removed an old existing hydrant and replaced it with a new one on Spring Street in Livermore Falls.

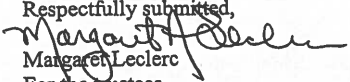

Operational upgrade projects:

- Replaced the existing 800ft. of faulty underground electrical service to the Baldwin Hill storage tank with a new overhead service. This upgrade was accomplished through the cooperation of New England Telephone Company who abandoned and transferred ownership of their existing line poles to the District.

Community outreach programs:

- Unfortunately again this year we were unable to retain the services of the National Children's Theater Group during National Drinking Water Week in May. We have used these talents in the past with great success to bring about an awareness as to the importance of conservation and water quality to youth throughout the communities of Jay and Livermore Falls. The DWP's rules are that a community that request the services of this theater group for the first time are put at the top of the list so we lost out. We will continue to support, sponsor and expand these programs as much as possible.

Respectfully submitted,

Margaret Leclerc
For the trustees

2011 Annual Town Meeting Warrant

To: Ernest N. Steward, Jr., a constable of the Town of Livermore Falls, in the County of Androscoggin, in the State of Maine:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Livermore Falls in the County of Androscoggin, in the State of Maine, qualified by law to vote in Town affairs, to meet at the Livermore Falls Municipal Building in said Town of Livermore Falls on Tuesday, the 14th of June 2011 at 9:00 o'clock in the forenoon, then and there to act on the following articles to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose by secret ballot in accordance with Title 30, M.R.S.A. Section 2061 all necessary Town Officials including one Selectman/Assessor for a two year term; one Selectman/Assessor for a three year term.

Note: The polls will open at 9:00 o'clock in the forenoon and close at 8:00 o'clock in the evening.

Article 3:	Shall the Town fix dates of October 19, 2011 and March 21, 2012 when taxes shall be due and payable and shall the Town fix a rate of 7% interest to be paid on taxes unpaid after said date?
-------------------	--

Recommendation: That 7% per annum be charged commencing on October 20, 2011 on all ½ year payments not paid on or before October 19, 2011 and that 7% per annum be charged commencing on March 22, 2012 on all second ½ year payments not paid on or before March 21, 2012.

Article 4:	Shall the Town fix an interest rate of 5% on all taxes abated that have been paid in full, amount to be paid from the date the taxes were paid?
-------------------	---

Article 5:	Shall the Town charge a 7% interest rate to any sewer assessments not paid within 60 days of the quarterly billing date?
-------------------	--

Article 6:	Shall the Town authorize the Selectmen on behalf of the Town to retain, sell or dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they may deem advisable and in the Town's best interest, and to execute quit claim deeds for such property?
-------------------	--

Article 7: Shall the Town authorize the Selectmen acting in their capacity as Sewer Trustees, to on the Town's behalf, retain, sell or dispose of any real estate acquired by the Town for non-payment of sewer assessments thereon, on such terms as they may deem advisable and in the Town's best interest, and to execute quit claim deeds for such property?

Article 8: Shall the Town authorize the Selectmen on behalf of the Town, to accept or reject any and all gifts as they deem advisable, and to expend any monetary gifts on the designated purpose of that gift?

Article 9: Shall the Town authorize the Selectmen on behalf of the Town to apply for and accept State and Federal grants in the interest of improving the Town?

Article 10: Shall the Town carry the balances forward in the following accounts: Recreation, Landfill, Contingency and Street Paving?
 Note: Approximate totals are respectively: \$4,000.00, \$35,000.00, \$13,000.00 and \$13,000.

Article 11: Shall the Town raise and appropriate \$70, 254.00 for Elected Officials?
