The Town of Livermore Falls has chosen to dedicate this years Town Report to the late Selectman, George Cummings. It is inadequate to say that George had an impact on this Town. He served years as the Road Commissioner and Assistant Town Manager, as well as holding office as a Selectman intermittently from the 60's until his unexpected passing in late 2018. He performed these duties while running his farm on the Haines Corner Road. He will be missed for his extensive experience and knowledge, as well as his humor and friendship. The 2019 Town Report is, as stated, dedicated to George for his lifelong dedication and service to the people of Livermore Falls. To George's family our sincerest condolences and sincere thanks for the time taken away from them that he dedicated to the people. He is and will be missed for years to come.

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next four years, I will do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

That is why on my first day in office I directed the Maine Department of Health and Human Services to implement Medicaid expansion as quickly and efficiently as possible. My Administration will ensure that it is paid for sustainably; that the cost of health insurance is controlled; and that the cost of prescription drugs is reined in. In addition to creating a Director of Opiate Response to marshal the collective power and resources of state government to stem the tide of the opioid epidemic, we will make Narcan widely available, increase access to medication assisted treatment and recovery coaches, and expand drug courts.

We also need a healthy environment. My Administration will embrace clean energy; change our modes of transportation; weatherize homes and businesses; and reach a goal of 50 percent of our energy coming from Maine renewable resources. By reducing the impacts of climate change, we will create good-paying jobs, preserve our environment, and protect our state's farming, fishing, and forestry industries.

We will also develop a world-class workforce starting with Pre-K for every 4-year-old in Maine and more post-high school options that result in a valued credential. Attracting talented young people to move here and make Maine their home will be top priorities of my Administration.

Maine communities, especially rural communities, are confronting a severe workforce shortage and an aging and declining population. It is time for bold, dynamic ideas that will change Maine for the better. That is why I, along with people ranging from small business owners, innovators and entrepreneurs, to economists and every day, hard-working Mainers, developed an economic plan designed to make it easier for small businesses to grow, for people to come and stay, and for Maine to thrive.

I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, happy people, and prosperous communities

Thank you,

A handwritten signature in black ink, appearing to read "Janet T. Mills".

SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy "gag clauses" that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer's research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer's by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer's. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation's crumbling infrastructure and ensure that Maine's needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

RULES AND ADMINISTRATION

Dear Friends,

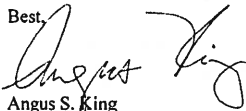

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that’s my job: to listen to you, act where I can to build on what’s good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we’re doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I’ve met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I’ve pushed hard for this type of legislation and was proud to have provisions I’ve advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we’ll keep working to confront this tragic problem.

I’ve also worked to strengthen the future of our forest economy. Maine’s forests have powered our state’s economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That’s why, together with the other members of the state’s Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine’s forest economy, and we’re already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It’s often said that Maine is like a big small town (with very long streets)— that’s because at our heart, we’re one big community. It’s not only a pleasure to serve you— it’s a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King
United States Senator

Dear Livermore Falls Residents,

Thank you for the honor of serving as your State Representative once again. I have been working hard on your behalf to provide responsive constituent services, be your advocate in Augusta, and advance legislation that improves life in our district and in our state.

Right now we are working through over 2,000 separate pieces of legislation covering a wide variety of topics. Already we have made strides to expand health care coverage and are taking steps to bring relief from the opioid crisis. Efforts are also under way to expand access to renewable energy, reduce student debt, reduce and deal with the effects of climate change, repair our roads and bridges, increase protections for workers and consumers, get prescription drug costs under control, protect the independence of seniors, and make sure we are caring for our neighbors with disabilities.

We are also on our way toward balancing the state budget for the next two years in a way that increases revenue-sharing funds for all Maine towns and respects the mandate of the voters to properly fund public education.

I am pleased to be serving on the Energy, Utilities, and Technology Committee once again. We are working on policies around clean energy, electric rates, broadband, and more. We have already met to consider several bills before us this session, including some that I am sponsoring.

Whether we are dealing with the above issues or any other topic, I will continue to work with all of my colleagues, regardless of party affiliation, to make sure we're doing the best work we can for the people of our district and all the people of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is tina.riley@legislature.maine.gov and my phone number is 897-2288. I also send out e-newsletters from time to time. Let me know if you would like to receive them.

Respectfully,

Government Oversight Committee

Dear Friends and Neighbors:

Thank you for reelecting me to represent you in Augusta; it is an honor to serve you in the Maine Senate. I am eager to continue working with you to make Maine an even better place to live, work and raise a family. Please let me provide you with a recap of the 128th Legislature as well as my hopes for the upcoming 129th Legislature, which began its work in December, 2018.

During my time as a member of the Maine Senate, I have been encouraged to see the significant progress that has occurred. The State of Maine closed the fiscal year that ended on June 30, 2018 with a budget surplus of more than \$126 million and a 'rainy day fund' totaling more than \$274 million, allowing our state to have a better borrowing capacity and long-term financial stability. After many years of budget shortfalls and high spending, the significance of these economic achievements cannot be overstated. Maine's unemployment is at an all-time low, and the state's jobless rate has been below four percent for a record length of time.

Perhaps the most significant action the 128th Legislature took was passing tax conformity. With the passage of that legislation, we ensured that Maine citizens would not see their tax burden increase as a result of the federal changes to the tax code. Additionally, the tax conformity legislation included a \$300 child credit and increased the property tax fairness credit. I am incredibly proud that both sides of the aisle came together on this issue to benefit the Maine people.

The 129th Legislature has many issues to tackle, including adequate funding of our schools and ensuring that our young people have the skills necessary to enter the workforce. I am a strong supporter of vocational schooling and will advocate that technical education be widely available.

I encourage you to reach out to me with your thoughts, concerns and ideas about state government. Your input will help me better represent your interests and those of the community. I also encourage you to contact me with news about community events and gatherings; I want to join in! You may contact me by phone at 287-1505 (Augusta) or 562-6023 (home) or by email at Lisa.Keim@legislature.maine.gov.

Once again, thank you for the privilege of representing your interests in Augusta.

Sincerely,

Lisa Keim

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

A handwritten signature in black ink that reads "Jared F. Golden".

Jared Golden
Member of Congress

To the Citizens of Livermore Falls,

I appreciate the opportunity to represent you on our Selectboard. To my fellow Board members, thank you for selecting me to serve another year as Chair. Your support throughout the year means so much to me.

This year the Board, the Town of Livermore Falls, and our larger community suffered the loss of George Cummings. George was well-known and well-respected. He left an empty seat on the Board that will be hard to fill. I had the privilege of serving with George for only one year, but in that short time he impressed me with his depth of knowledge, sharp recall, and willingness to speak up about issues that mattered to him.

I am pleased to report greater community involvement on town committees and at meetings. This year's budget committee has 9 seated members and the planning board has 5 seated members, indicating no empty seats.

Our department heads and town employees continue to do excellent jobs. I would especially like to give my thanks to our transfer station attendants. Their dedication and attention to detail has led to a considerable drop in contamination of recycling and is reflected in actual savings to the town in waste removal fees.

Looking to the future, I would like to point out that next year, 2020, is Maine's Bicentennial. I challenge the citizens of Livermore Falls to come up with ideas on how Livermore Falls, as a whole, should celebrate this milestone. It's not too early to start planning!

Respectfully,
Heather Bronish

Town of Livermore Falls

First of all I want to thank all of the employees of this great Town of Livermore Falls. These people keep our streets clean and safe, while others work to provide the services necessary to keep the town and each household operational. We are fortunate to have each one of them, as well as the support of numerous volunteers. And none of this could be accomplished without the support of each member of this community, so a huge thank you to everyone.

We are fortunate to have a newly reconstructed fire station with many thanks to the tax payers. This project involved many hours of troubleshooting and coordination that pushed our Fire Chief Edward Hastings above and beyond his normal responsibilities. Please, when you see him extend your thanks and appreciation. And I thank everyone for your support and patience while this project was brought to fruition.

With the completion of this project we are now confronted with a rebuild of the sewage treatment plant. This plant is aging and, like anything else, is suffering deterioration. We are in the process of obtaining funding for the project. Please, if you have any questions call the Town Office, or speak to our plant superintendant Greg Given and we will answer them as best as we can. Your support for this project is critical to the continued operation of the plant.

As has been the norm, we will continue to seek the most cost effective options to resolve the Town's concerns. We work closely with surrounding town governments to seek new and innovative ways of addressing your concerns. We strive to provide the best services at the most reasonable costs and will continue to do so into the future. Every employee in this Town works for you.

In closing I want to thank everyone for the unbelievable support that I have received since taking this position. It takes a lot of work for all of this to fall into place. I could not do it without your support and the support of every employee here. Thanks for believing in us!

Stephen J Gould

Stephen J. Gould
Town Manager

To: The residents of Livermore Falls, the Board of Selectmen, and the Town Manager

This year at the Livermore Falls Fire Department we have been working to finish moving back into our station, equipping our new personnel, and regaining our training regimen. It has been a challenge to figure out our way in this renovated space and to see what was needed just to reopen our building. This project began in 2015 and we are happy to say that it is finally mostly finished. There were some projects left out of the renovations which include insulating the building and repairing the parking lot. We are sure these will eventually become priorities, though for now, are not needed to become functional.

As we spoke about this last year, our vehicle maintenance is still a daunting task. We did hear last year about the status of our AFG grant request for a quint, though we didn't make it through the selection process. Given our truck's condition, we did apply again this year seeking \$500,000.00 in funding to replace an engine and the ladder truck. Our plan has been focused on trying to reduce the fleet of vehicles, in part due to their age and required maintenance. As we discussed our condition of the apparatus in December, the Board of Selectmen directed us to seek costs of a combined pumper/ladder truck. We found there were some very competitive used trucks that cost around \$300,000. We also found that the town could purchase a brand new truck to meet our needs at a cost of \$600,000. This was put to the voters during a special town meeting in March, though was defeated 32 to 27.

This leaves us with a laundry list of repairs to make on the proposed trucks we were looking to replace. We will be working through this in the coming months which we anticipate will be financially difficult because we don't have sufficient funds to cover the repairs needed. Additionally, there wasn't enough money appropriated in the current or future budgets to handle the growing list of repairs needed. (The average age of our vehicles in the department is 21 years old.)

In 2018, we recognized a very dedicated member of the department for his many years of service to our community. Lt. Nixon Ortiz can be found at the station almost daily and is always wearing something representing the Livermore Falls Fire Department. Nixon is a true community oriented person and will do anything he can to help his friends & neighbors. Nixon was selected by several of his peers and undoubtedly, deserves our recognition as the 2018 Firefighter of the year.

We would also like to thank the town office staff, Police, Highway, Water, and Sewer Departments, along with our mutual aid partners for their assistance this year.

Most importantly, we would like to thank our residents for the support of our department. We are looking forward to another great year, including the Halloween open house. (This past year about 450 people came to visit.)

Sincerely,

Edward H. Hastings IV
Fire Chief

March 14, 2019

To the Town Manager, Selectmen and Citizens;

In 2018 the Livermore Falls Police Department received and responded to 2483 calls for emergencies and/or assistance. In addition, 91 arrests were made, 155 criminal summonses issued, 57 traffic summons issued and 802 traffic warnings and/or defects were issued.

Officer Walter Bachelder was hired 6/27/18 to replace Officer Nadeau who is now a Deputy in Androscoggin County and also a reserve officer with us. Officer Bachelder will be completing his 18 weeks at the Criminal Justice academy May 24th. James Phillips is a Auburn Police Officer that was hired 7/2/18 as a reserve officer for us. Michael Adcock was hired full time on 12/28/18, he was formally a patrolman at Farmington PD. He replaces Sgt. Vernon Steven who left the department in October.

This has been one of the most trying years yet in our community. We have been as vulnerable as the rest of the State to this drug crisis, we have lost citizens and we have saved some. We all need to work together to end this problem it does not exist in a bubble. If you see, know, or suspect something report it, it could be one of your own family members lives you are saving.

Remember, ALWAYS call 911 in an EMERGENCY

Non Emergency calls to Dispatch 897-3424 Press 0 when automated system starts.

As always, we are dedicated to providing safe and effective public safety services to the citizens of Livermore Falls. I encourage you to contact me with any comments or concerns regarding the police department that you might have.

Thank you for all the citizen support and assistance. I would also like to thank our Town Departments and the local area departments for their assistance, cooperation and understanding.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Ernest Steward Jr.".

Ernest Steward Jr.
Chief of Police

2018 Highway Report

To The Town Manager, Selectmen and Citizens of Livermore Falls,

We had a normal Maine winter this year with around 100" of snow and several freezing rain storms. We have used approximately 1500 yards of sand and around 500 tons of salt to date. The crew did an excellent job keeping up with the storms.

Paving consisted of a shim and over lay on Diamond road; Spencer Group paving did the work and did an excellent job.

Other projects included cutting brush, Along with ditching and several small culverts were changed throughout the town.

Thank you,
Bill Nichols

2018 Transfer Station Report

To Town Manager, Selectmen and Citizens of Livermore Falls

All the changes that have taking place at the transfer station since 2010 have made up a very large reduction in the budget for the tax payers of Livermore Falls. Our recycling and household trash has reduced in tonnage from the previous year. We are currently paying \$60.09 a ton for household waste and we now pay \$15.00 a ton fee on recyclables until the markets start to rise again.

We are trying to get maximum compaction in the containers to save on hauling costs, sometimes we can not get a truck here soon enough to swap out the containers so we have to put trash or recyclables in the old building until we get a new container swapped out.

Total tonnage for 2018

Municipal Solid Waste	465
Recyclables	110
Demolition & Brush	299
Metal	30

Thank You
Bill Nichols

2018/19 Sewer Report

2018 has been a busy year for us. Ted Berry cleaned, videoed and mapped the Towns sewer system on the South side of Church St. Some of the lines were in pretty good shape and others were near failure. We have been locating manholes that were buried and raising them to grade and installing some in areas that were over 1000 ft. between manholes. Streets on the North side of Church St will be done sometime this summer.

Wright & Pierce has been designing an upgrade for the Wastewater Treatment Facility to replace equipment that is failing and to protect the workers and the environment. The upgrade is expected to go out to bid in the spring of 2020. The staff has been doing a great job at getting by with failing equipment and spending as little as possible to keep it running until the upgrade takes place.

The Town of Jay is going to shut down their Wastewater Treatment Facility and install a pump station to pump their wastewater from N. Jay to Livermore Falls. The construction is expected to begin this spring and L.F. should be receiving flows from N. Jay this fall if everything goes as planned.

Respectfully Yours Greg Given

Sewer Superintendent.

E-mail: lfwd@myfairpoint.net*

To the citizens of Livermore Falls:

March 18, 2019

The Trustees of the Livermore Falls Water District hereby submit this annual report for the year ending December 31, 2018.

On March 1, 2018 step one of a three step rate increase plan went into effect. This plan approved by the Public Utilities Commission, The Public Advocate and the District, was set up this way to allow customers to ease into where the final rate adjustment for this plan will be. Since it had been sixteen years from the last rate increase. Step two will go into effect on March 1, 2019.

The district is continuing to harvest wood during the winter months from the 100 acre woodlot it owns on Parker pond. George Merrill & Son Logging, LLC is doing the harvesting.

Along with the general day to day operations we repaired 5 main breaks, 2 hydrants were repaired, 8 services were replaced with new cts plastic, and 8 other services were repaired, The district also accepted with regret the retirement of long time Treasurer Cheryl Marceau.

Respectfully submitted,

Margaret Leclerc, President
LFWD Board of Trustees

Treat Memorial Library
Librarian's Report 2018

Patrons saved \$157,611.91 in 2018 by using their library instead of purchasing materials themselves. This total does not include the inter-library loan items that were borrowed from other Maine libraries and out of state, the Large Print collection from the Maine State Library, nor all the eBooks and audio books of the Download Library.

The 2018 Summer Reading Program was "Libraries Rock." Of the 43 registrants 26 completed the program.

We continue to keep everyone informed by our Facebook page. Events, regular activities and photos are posted there.

Our regular programming still includes Wednesday's Pre-School Story Time, LEGO Club, Tuesday's Knit & Crochet Group, and a monthly book discussion group for adults.

Elsie's Reread Used Book Emporium is doing well. Donations of books are received all year long from the generous public. Thank you all.

Respectfully submitted,

Myra P. Rosenbaum
Director

TAX COLLECTORS REPORT

Taxes are committed to the Tax Collector at the time the annual bills are mailed out and at the expiration of eight to twelve months any unpaid balances are placed on lien and turned over to the Treasurer for collection. Any liens which are not paid in full with interest and recording fees foreclose after eighteen months and become the property of the Town. The Treasurer and the Tax Collector accept partial or installment payments in order to assist taxpayers to avoid liens and foreclosures.

Taxes Committed for 2018/2019	\$ 3,452,343.00
Local Real Estate Valuation	131,991,000.00
Local Personal Property Valuation	27,839,700.00
Total Valuation	\$159,830,700.00

Mill Rate 21.60 per Thousand

This year we are hoping to get the tax bills out by August in order to get revenue in sooner. This year, if passed by the voters, the first half will be due on October 24, 2019 and the second half will be due March 26, 2020. Please remember that any amount unpaid by the due date will start accruing interest the next day.

Some people find it easier on their budgets to pay us monthly. Again we will take any amount of money at any time.

Respectfully Submitted,

Dawn Young, Tax Collector

2019 Annual Town Meeting Warrant

To: Ernest N. Steward, Jr., a constable of the Town of Livermore Falls, in the County of Androscoggin, in the State of Maine:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Livermore Falls in the County of Androscoggin, in the State of Maine, qualified by law to vote in Town affairs, to meet at the Livermore Falls Municipal Building in said Town of Livermore Falls on Tuesday, the 11th of June, 2019 at 8:00 in the forenoon, then and there to act on the following articles to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose by secret ballot in accordance with Title 30, M.R.S.A. Section 2061 all necessary Town Officials including one Selectman/Assessor for a two year term; one Selectman/Assessor for a three year term; one RSU #73 School Board Director for a three year term and one RSU #73 School Board Director for a one year term.

Note: The polls will open at 8:00 o'clock in the forenoon and close at 8:00 o'clock in the evening.

Article 3:	Shall the Town fix dates of October 24, 2019 and March 26, 2020 when taxes shall be due and payable and shall the Town fix a rate of 7% interest to be paid on taxes unpaid after said date?
-------------------	--

Recommendation: That 7% per annum be charged commencing on October 25, 2019 on all ½ year payments not paid on or before October 24, 2019 and that 7% per annum be charged commencing on March 27, 2020 on all second ½ year payments not paid on or before March 26, 2020.

Article 4:	Shall the Town fix an interest rate of 5% on all taxes abated that have been paid in full, amount to be paid from the date the taxes were paid?
-------------------	---

Article 5:	Shall the Town charge a 7% interest rate to any sewer assessments not paid within 60 days of the quarterly billing date?
-------------------	--

Article 6:	Shall the Town authorize the Selectmen on behalf of the Town to retain, sell or dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they may deem advisable and in the Town's best interest, and to execute quit claim deeds for such property?
-------------------	--

Article 7:	Shall the Town authorize the Selectmen acting in their capacity as Sewer Trustees, to on the Town's behalf, retain, sell or dispose of any real estate acquired by the Town for non-payment of sewer assessments thereon, on such terms as they may deem advisable and in the Town's best interest, and to execute quit claim deeds for such property?
-------------------	--

Article 8: Shall the Town authorize the Selectmen on behalf of the Town, to accept or reject any and all gifts as they deem advisable, and to expend any monetary gifts on the designated purpose of that gift and to sell, by private sale or bid, or otherwise dispose of Town property that they deem to be surplus, obsolete or unusable?

Article 9: Shall the Town authorize the Selectmen on behalf of the Town to apply for and accept State and Federal grants in the interest of improving the Town including the Sewer Department and Sewer Treatment Plant acting as Sewer Trustees?

Article 10: Shall the Town vote to place excess revenues from the sale of tax acquired property into the Dangerous Buildings Fund?

Article 11: Shall the Town carry the balances forward in the following accounts: Recreation, Landfill, Dangerous Buildings, Street Paving, Fire Dept., and CEO?
 Note: Approximate totals are respectively: \$17,000, \$20,000, \$13,000, \$20,000, \$15,000 & \$3,500.

Amanda M. Allen, Town Clerk

The Town Office would like to offer a special remembrance to Cora Briggs who passed away earlier this year. She served as a correspondent for the Lewiston Daily Sun and as the Editor of the Livermore Falls Advertiser for many years. Cora interacted with all Town departments through the years and developed a strong and trusting relationship with all. Our condolences to Cora's family for your loss.
