LIVERMORE FALLS — A proposal before the Planning Board for a garage at 99 Campground Road will be taken to a public hearing on April 17.

After reviewing the application by Michael and Michelle Crosby at the March 20 meeting, it was determined that the proposed business is a commercial enterprise and neighbors should have the opportunity to address the board before any decision is made.

The Crosbys indicate on their application that they plan to service cars and trucks from 8 a.m. to 5 p.m. Monday through Friday. They presently have a 24-foot-by-28-foot garage and plan to build a larger one on a half acre of their 2.85-acre parcel.

Abutters will be notified about the proposal and hearing.
