Town of Livermore Falls

Rental from the AYS building is now \$3,000.00 and the transportation budget is now at \$5,500.00 so this all adds up.

The increase in the wages from the last few years is from minimum wage increase. The minimum wage in 2017 was \$9.00 per hour and is now \$13.80 So, this alone for 1 councilor for 20 hours is an added \$96.00 per week or \$576.00 for the 6 weeks of the summer rec program.

Last year we had 165 kids participating in the program from, Livermore Falls, Jay, and Livermore and when their registrations are paid for it goes to the general funds account. Jay has sent Livermore Falls a check for \$13,000.00 to help subsidize the rec program and although that does help the Board suggests that we evaluate the amount and adjust as needed.

The Board suggested that we get the funds to go directly into the recreation funds instead of the general fund, Amanda said it would be a question for the auditor but we can ask.

Ernie made the 1st motion to raise \$38,000.00 for summer recreation.

Bruce made the 2nd motion.

VOTE: 4-1 in favor, Jim C. not in favor

Jim L. would like Sally to evaluate the rental and transportation cost and see if the subsidy amount from Jay should be adjusted and maybe see if we can also get a subsidy from the town of Livermore.

Bruce made the 1st motion to adjourn.

Ernie made the 2nd motion

VOTE: 5-0 to Adjourn at 7:06pm.

Respectfully submitted:

Doris Austin,

Town Clerk
