

# LIVERMORE FALLS ANNUAL REPORT

# 2026

INCORPORATED 1843

# DEDICATION

Patricia Allen has been a long-time resident alongside her husband Bill spending many hours at the Treat Memorial Library as dedicated advocate, she served as a trustee for the Board for over 20 years and was president of the board from 2013 - 2024 and has supported the library in its mission with care and dedication.

Pat is a very quiet lady who doesn't really like talking much about herself and when asked how long she has been at the library as a trustee, president and now vice president she just says many, many years but can tell you in a second how long others have been there. When I have asked others how long Pat has been there and the answer I always get is

"Many, many years."

Pat, thank you for the many, many years of dedication to Treat Memorial Library.

Pat is a prolific reader with a passion for teaching that to the students in the Readfield district for over 20 years as a literacy specialist and will fight not only for the students but those that work with and for her.

Pat is an amazing cook and pastry chef that likes to share her creations with family which includes 2 children and 4 grandchildren and countless friends, at meetings or whatever gathering is going on.

Janet T. Mills  
GOVERNOR

STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

Winter and Spring 2026

Dear Friends:

It has been the greatest honor of my life to serve as your governor for the past seven years. We have faced many challenges together, from confronting a global pandemic, to healing from a horrific tragedy in Lewiston, to rebuilding from unprecedented storms that damaged homes and businesses across the state. But we have done so with the strength, courage, and kindness that is at the essence of Maine people, the same community spirit that will sustain us in the years to come.

Our towns and cities are the essence of community and the foundation of our democracy. In my last year as governor, I will push to continue fully funding revenue sharing and public schools so those costs are not added to the property tax bills. We will continue to make record investments in housing to bring down the cost of home ownership. We will continue to deliver tax relief to working people and lift the burden of student debt off the shoulders of younger people to encourage them to stay here, pay taxes here and invest in our state.

I fundamentally believe that our strongest asset is you – the people of Maine – which is why my Administration's approach has always been, and will always be, to make this state the best place in the nation to live, work, and raise a family.

With gratitude,

Janet T. Mills  
Governor

COMMITTEES:  
APPROPRIATIONS  
CHAIR  
HEALTH, EDUCATION,  
LABOR, AND PENSIONS  
SELECT COMMITTEE  
ON INTELLIGENCE

Dear Friends,

It is an honor to serve the people of Maine, and I welcome this opportunity to update you on the work that has taken place in the Senate over the past year. My staff and I have addressed numerous issues affecting our state, and I would like to share some of the progress that we have made.

Since my *Social Security Fairness Act* was signed into law in January 2025, the law has been fully implemented and restored earned retirement benefits to 2.8 million Americans. More than 25,000 Mainers have seen their monthly benefits increase and have been issued more than \$184.5 million in retroactive payments. I am proud that this legislation has improved the lives of many retired firefighters, teachers, police officers, and other public employees and their spouses.

I was honored to become the first Maine Senator in nearly a century to lead the Appropriations Committee. Since I took this role last January, Congress enacted full-year appropriations bills before December for the first time since 2018. These bipartisan bills included full-year funding for Military Construction and the Department of Veterans Affairs, the US Department of Agriculture, and the Food and Drug Administration. At my request, these bills included nearly \$35 million in Congressionally Directed Spending (CDS) for local projects across Maine that will improve fire stations and emergency services, update municipal buildings, and support upgraded facilities at the Maine National Guard and Portsmouth Naval Shipyard (PNSY) in Kittery. This funding builds on the nearly \$1.1 billion in CDS I have secured since 2021 for worthy projects that benefit local communities and nonprofits across our state's 16 counties. As Chair, I remain committed to working to better ensure that federal spending and investments produce real results for the people of Maine.

I have also led other important legislative efforts this year that address problems many Mainers face. This includes bills that expand federal efforts to combat Lyme disease and other tick-borne illnesses and improve access to early testing for Alzheimer's disease. Provisions I authored to strengthen prevention, treatment, and recovery services for those struggling with substance use disorders and mental illness were included in the *SUPPORT for Patients and Communities Reauthorization Act* that was recently signed into law. An amendment I authored in this year's *National Defense Authorization Act* will increase apprenticeship opportunities at public shipyards like PNSY. That bill also includes more than \$400 million to support critical infrastructure improvements at PNSY and a well-deserved 3.8 percent pay raise for all our nation's service members.

In addition to advancing legislation, I worked to ensure that federal commitments to Maine were maintained and, when necessary, restored. I secured a seasonal employee exemption for Acadia National Park from the Administration's federal hiring freeze and from closure during the recent government shutdown. I protected local programs like Maine Sea Grant and global initiatives like the President's Emergency Plan for AIDS Relief (PEPFAR) from harmful funding cuts. I led the effort to resume enrollment at Maine Job Corps centers and fought for full funding for Maine's public schools this school year. I preserved funding for the University of Maine System and secured the restoration of funding to the Passamaquoddy Tribe at Pleasant Point and the Penobscot Nation. I protected low-income Mainers' access to key programs like LIHEAP and SNAP. Although I voted against the *One Big Beautiful Bill Act* due to my opposition to Medicaid cuts, I helped secure \$50 billion to support rural health providers through the legislation's Rural Health Transformation Program. Maine has been awarded \$190 million in the first year of this five-year grant program.

Throughout my Senate service, I have never missed a roll-call vote and have cast more than 9,850 consecutive votes—reflecting the Maine work ethic I bring to Washington. My continued ranking as most bipartisan Senator from the Lugar Center and Georgetown University is a testament to Maine's tradition of working with cooperation and respect.

My highest priority as a Senator is to ensure that the State of Maine's needs are met. If ever I can be of assistance to you, please contact one of my state offices or visit my website at [collins.senate.gov](http://collins.senate.gov).

Sincerely,

  
Susan M. Collins

VETERANS' AFFAIRS

Dear Friends,

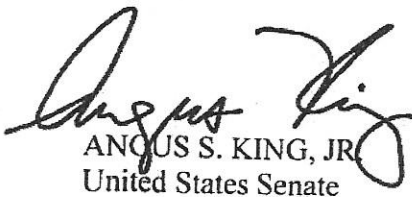

With each year we have a new opportunity to recognize our shared achievements and offer up our time and energy to support one another when challenges arise. I am grateful to the towns across Maine for their dedication to their communities, their residents, and our state. Working together has always been our strength, and the past year proved that once again we are stronger when we work together.

However, it is difficult to recall a year more challenging than the one we just experienced – a year that required a steady focus on our founding principles and shared values. For these reasons, I spent hours on the Senate Floor reminding my colleagues—and many of you back home—about the vision our founders demonstrated when they laid the blueprint for the American experiment. A cornerstone in their understanding was a duty to civic engagement and community. I often refer to Maine as a big town with long roads, and in my travels throughout our state, I am reassured by the grassroots participation in our civic process and the neighborly feel that makes Maine unique.

My legislative priorities remain largely the same: supporting Maine veterans, small businesses, and our heritage industries like agriculture, forest products and the marine economy. Additionally, I am grateful to have an exceptional team across Maine ready to assist you with issues involving the federal government. Whether you are facing challenges related to veterans' services, Social Security, the IRS, passports or other matters, I encourage you to reach out to our offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford. We are here to help and welcome the opportunity to work on your behalf.

Together, I am confident we can continue building a stronger and more prosperous future for our state and nation. Thank you for being one of the many reasons Maine is such a special place. It is truly an honor to serve you and to know you. Mary and I wish you a happy, healthy, and safe 2026.

Best Regards,

ANGUS S. KING, JR.

Jared Golden  
Congress of the United States  
2nd District of Maine

Dear Friends,

I hope this letter finds you well.

As you likely know, my time in Congress will come to an end in January 2027, after which I'll return to my family and my life as a private citizen. In other words, this is my final town letter.

My time as your representative has included a fair share of ups and downs, but one thing that never changed was the pride I brought with me to represent your community and all the others across Maine's 2nd Congressional District.

Maine has been home for my entire life. And while serving in Congress has meant a lot of time in Washington, D.C., I've tried my best to stay connected to the people, places and values that made me who I am.

Growing up in Leeds, I learned the value of hard work and community. When I enlisted in the U.S. Marines, a decision driven by the commitment to service and patriotism instilled in me by the people and places that raised me, I learned a lot about sacrifice and leadership. After my time in the military, I settled in Lewiston and served my city in the Maine State House, where I got a crash course in what representation really meant: listening, understanding, and fighting to make life better for the people and families who'd placed their trust in me.

I brought these values and experiences with me to Congress, and tried to live up to them every day I have served.

I share all this not because my story is special or my values unique, but because I know that it is not.

It's fair to say that I've worked in one way or another with most every community in the District. Together, we've reduced pressure on property taxes by securing congressional funds for local projects. We've passed laws to support Maine's heritage industries and small businesses. And my

Lewiston, ME 04240  
Phone: (207) 241-6767

staff and I have provided direct constituent services, helping thousands of Mainers across the state — including recovering millions of dollars in missing or delayed federal benefits.

What I've learned through our work together is that there are leaders all over Maine everywhere you look — people committed to service, to their communities and their country: Municipal officials and workers. Business owners and innovators. Servicemembers and law enforcement officers. Volunteer firefighters. And of course, the everyday workers, parents and students who are all doing their part to contribute how they can to their families and communities.

I am grateful to share this state with every single one of you, and despite all our challenges, I am optimistic about our future because of what I've seen and learned. I know that the things that divide us are no match for the things we have in common and our commitment to each other.

While this may be my final letter in this format, I am still working hard to represent you for the rest of this year. If your community, small business, or family has a need, reach out to my nearest district office and talk to us about it. My staff and I can help navigate government programs; find federal resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other agencies. Here's the contact info for my offices:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou, ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston, ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Suite 101, Bangor, ME 04401. Phone: (207) 249-7400

Thank you again for the great honor of representing you in Congress and the opportunity to serve you and your community. I will spend the rest of my time in Congress working just as hard as I always have to deliver what I can to Maine.

Respectfully,

Jared Golden  
Member of Congress

Jeffrey Timberlake  
Senator, District 17

THE MAINE SENATE  
132nd Legislature

3 State House Station  
Augusta, Maine 04333

Dear Friends and Neighbors,

Having been elected to my fourth term in the Maine Senate, it remains an honor to represent our communities, and I am committed to continuing my work on behalf of working families, farmers, seniors and small businesses throughout our region.

The First Regular Session and the First Special Session of the 132nd Legislature adjourned in March and July of 2025, respectively. The Second Regular Session will convene in January 2026. With hundreds of bills carried over, the upcoming session will be a busy one, particularly as lawmakers continue to grapple with rising costs, workforce shortages and the delivery of essential services in rural Maine.

Many of you have contacted me with concerns about the rising costs of energy, child care, property taxes, and housing, among other challenges. As your State Senator, I will continue advocating for commonsense solutions that ease these pressures on Maine families.

On a personal note, I introduced LD 893 to expand affordable health care options for farmers, a proposal that has been carried over and remains a priority. I also sponsored and helped pass LD 1551 to give food and beverage businesses more flexibility by allowing licensed vendors to share space, helping them manage rising costs and workforce shortages.

I continue to advocate for lower energy costs, including efforts to remove the 100-megawatt cap on hydropower in Maine's renewable portfolio. In addition, my colleagues and I on the Government Oversight Committee remain focused on fixing failures within the Office of Family and Child Services at DHHS, with legislation carried over to strengthen oversight and better protect Maine's children.

Thank you again for placing your trust in me as your State Senator. Please feel free to contact my office at (207) 287-1505 if you have questions, comments, or need assistance with a state agency.

Sincerely,

A handwritten signature in cursive script that reads "Jeff Timberlake".

To the Residents of Livermore Falls,

Our town has faced its share of challenges this year, but there is still much to celebrate. As a community, we all share a common goal: to see our town prosper and grow. We have jumped through some hurdles in 2025, but together we have cleared each one, finishing the year with accomplishments to be proud of and there is plenty to be excited about going forward.

In-house, it took extra work this year to pass the budget. While the multiple attempts to pass may have been an added expense and strain to the operation of the town, that is how a healthy democratic process works. We appreciate every citizen's participation. We encourage more, and we can only strive to do better with the feedback from residents.

While trying to allocate funds responsibly, we must contend with necessary expenses going up as usual in addition to expenses of old becoming new again. In other words, some areas of our aging infrastructure are forcing their way into the expense spotlight. In addition to aging buildings, roads, and general maintenance, another area of major need is the sewer mains running beneath our feet. Again, the democratic process of funding the repairs under route 17 was exercised, and everyone's participation was applauded. Truly the purest form of democracy is the town meeting form of government where every citizen has a voice.

Another overlooked requirement the town has come into compliance with this year is the property revaluation that was long overdue. Every 10 years it is recommended for revaluations; however, Livermore Falls waited twenty-four this time around. Not having a current evaluation affects how the town and property owners receive specific tax exemption, particularly the homestead exemption. Going forward, we are planning for the next revaluation so residents will not potentially suffer sticker shock in the future. To avoid the cost of the next revaluation from being such a burden over the past few years, we are setting money aside every year to plan for the next one.

I would like to note our failure to bring the much-anticipated east Livermore Falls substation to fruition. After several successful votes, reworking of locations, and designs we were able to send the project out to bid, unfortunately all the bids came back extremely high and there simply was not enough money requested by the voters to move the project forward. The board voted 3-2 in favor of placing the project on hold until a later date. We deeply regret this failure and ask for patience as we work out the details in the future.

The investment in our Livermore Falls Police Department has paid all of us back in full and continues with payouts. The Livermore Falls Police Department, under Chief Haroon's leadership, has been making headlines for cutting down crime in our town. The board's support of the drone purchase, which has been utilized for rescue operations, high-risk situations, and investigative purposes. Notably Chief Haroon used it to find an armed criminal using the drone and successfully apprehended the absconding criminal without placing officers in danger.

To help the firefighters do their lifesaving work, the residents of Livermore Falls approved the funds to purchase a more recent and user-friendly fire engine. Our fire department continues to

grow, and we encourage you to follow them on Facebook for updates on the team and fundraising events.

Livermore Falls made headlines all the way from the Portland Press Herald to the Sun Journal and the Bangor Daily News, as well as News Center Maine and WGME, with our active and inviting community events. The 4th of July Parade and Memorial Day Parade, with the coordination of the Legion, the Apple Pumpkin Festival, the Halloween trunk or treat, all made headlines. A special thank you to Doris for being the driving force behind the community garden, the subject of a story in the Portland Press Herald in June. All these wonderful highlights of our town making headlines are free marketing to a town looking to grow and attract new residents.

Piggybacking on the recreation master plan topic, we were inching closer to completing the town's revised comprehensive plan thanks to a dedicated group of volunteers. As a refresher, this plan is being developed using survey information by residents on what you want the town to do next. This data was compiled, analyzed, and incorporated into the new plan. This document serves as a road map for the town's future. We look forward to enacting this plan over time.

Supporting community events like these and developing recreational opportunities is a good path to economic revival for our town now and good for the soul of our community. We are now following a completed recreation plan and forming a tri town coalition to see the plan through. These resolute individuals with experience, ideas, and assets are putting their efforts into the recreation plan to make the town of Livermore Falls more appealing by highlighting things for people of all ages to do.

Where would our town be without all our amazing volunteers and town staff? It is hard to say but it would not be good. We are eternally grateful to the willing participants who regularly give up their time to crunch numbers on the budget committee, keep our website updated, spend hours poring through state legislation to write ordinances and so much more.

I would like to close by saying we have some challenges facing us in the new year. Our whole community is going to feel the strains of the construction projects in town as our sewer lines are repaired and roadways are restored. No one is going to feel the strain more than our small businesses. Please consider making the extra effort and giving the time you do not have to support our local businesses and eateries. It is in everyone's best interest to suffer the annoyance of traffic and construction and be loyal to our local establishments to make sure our Livermore Falls businesses survive the projects coming up.

Thank you all for the opportunity to serve,

*Will Kenniston*  
Select Board Chair

*Carrie Castonguay*  
Town Manager

## 2025 / 2026 Annual Report: Livermore Falls Police Department

### Calls for Service Overview and Operational Response February 2025 through January 2026

Between February 2025 and January 2026, the Livermore Falls Police Department recorded 2,919 calls for service based on monthly call type summaries. Monthly call volume remained relatively consistent throughout the year, generally ranging from approximately 200 to 315 calls per month. Higher call volumes were observed during late spring and summer months, while slightly lower volumes occurred during the late fall and early winter. Overall, the data reflects a steady and predictable demand for police services rather than isolated spikes.

The largest share of calls involved traffic and roadway safety activities. Vehicle stops alone accounted for 435 calls, representing nearly 15 percent of all listed calls. When combined with motor vehicle law violations, accidents, collisions, parking issues, and disabled vehicles, traffic related activity exceeded 740 calls. This demonstrates that roadway safety and traffic enforcement remain a core function of daily police operations. Officers are regularly engaged in proactive traffic stops, crash response, hazard mitigation, and motorist assistance, all of which contribute to accident prevention and public safety.

Another significant portion of activity involved proactive patrol and property site checks, totaling 163 documented checks. These calls represent intentional patrol activity rather than responses to complaints. Property checks and directed patrols reflect a preventative policing approach, focusing on visibility, deterrence, and early identification of issues before crimes occur.

Calls related to suspicious activity were also common. Suspicious conditions and suspicious people or vehicle calls accounted for more than 215 responses. These calls indicate an engaged community reporting concerns and a department responding to investigate, document findings, and increase patrol presence when necessary. While many of these calls do not result in enforcement action, they play an important role in prevention and community reassurance.

Disputes and quality of life calls made up a substantial portion of the workload, with approximately 320 calls involving domestics, disorderly conduct, harassment, threats, noise complaints, neighbor disputes, landlord tenant issues, and child or family related matters. These calls are often time intensive and may involve repeat locations or individuals. Officers respond by stabilizing situations, preventing escalation, documenting incidents, and taking enforcement action when required by law.

The department also handled more than 220 welfare and mental health related calls, including well-being checks, PCF medical or mental health calls, psychiatric issues, and missing people. These calls highlight the expanding role of law enforcement in addressing social service and mental health needs, particularly in smaller communities where police may be the only twenty-four-hour responder available.

Traditional criminal complaints and investigations, including theft, trespassing, warrants, fraud, burglary, and assaults, accounted for approximately 225 calls. While smaller in volume than service driven calls, these incidents often require follow up investigation, evidence handling, court preparation, and coordination with other agencies.

Finally, the department responded to over 200 interagency assistance calls, reflecting ongoing regional cooperation and mutual aid responsibilities.

In summary, the 2025 calls for service data shows that the Livermore Falls Police Department balances proactive traffic enforcement, preventative patrol activity, and responsive service calls with ongoing criminal investigations, welfare checks, and regional support. The data reflects a department managing diverse service demands while maintaining consistent year-round operations.

Chief Ibrahim Y. Haroon, MBA, BSCJA, CLEE

## **2025 Highway Report**

To the Town Manager, Selectmen and Citizens of Livermore Falls,

We are having our new normal Maine winter, so far this year with around 70" of snow and a few rain and ice events. We have used approximately 950 yards of sand and around 400 tons of salt to date.

We are currently fully staffed, and the new personnel have picked up plowing and sanding the Town roads very quickly.

We did have 2 major break downs this winter with 2 of our older trucks and it is taking longer to get parts in to get the repairs done.

Paving consisted of a shim and over lay on Hillman ferry, River Road and Androscoggin Bluffs. Paving was done by Spencer Group paving.

The road projects that were on the list for last summer - surface paving on Knapp and Millett Street, surface on the sidewalk on Knapp St. And the rebuild of Union St. along with a new sidewalk on Union St. did not get done with the Capital budget not passing until late in the construction season.

Other projects included cutting brush, along with ditching and several small culverts were changed throughout the town.

2-25-2026  
Thank you,  
Bill Nichols

## 2025 Transfer Station Report

To Town Manager, Selectmen and Citizens of Livermore Falls

Our household Recycling and Trash has stayed close to the same tonnage from the previous year, everything else has also stayed close to the same. We are currently paying \$105.00 per ton for WSW and recyclables. Demolition has held the same for now, With the current price of \$170.00 per ton

Hauling costs have dropped drastically with the new contract for MSW and recyclables being in Auburn. we are still seeing fuel surcharges added also with the price of Fuel. We are trying to get maximum compaction in the containers to save on hauling costs, sometimes we cannot get a truck here soon enough to swap out the containers, so we must put trash or recyclables in the old building until we get a new container swapped out.

### Total tonnage for 2025

Municipal Solid Waste	455
Recyclables	70
Demolition & Brush	200
Metal	45

February 25, 2026

Thank You  
Bill Nichols

## Annual Report of the Livermore Falls Sewer Department

March 4, 2026

Since the early 1970's, the Livermore Falls Sewer Department (LFSD) has been operating a sanitary sewer collection system and a treatment facility consisting of gravity sewer mains, sewage pumping stations, and sewer force mains. The sewage from area homes and businesses is conveyed to the Livermore Falls Waste Water Treatment Facility (LF WWTF) where the waste water from the Towns of Livermore Falls and Jay is treated prior to being discharged to the Androscoggin River.

As with all infrastructure and equipment, nothing lasts forever. Therefore, it is necessary to maintain all aspects of the collection system and WWTF to assure proper performance and longevity of the infrastructure. Even with proper maintenance, the equipment and structures need to be repaired or replaced as time goes by. The process of repair and/or replacement is referred to as an "upgrade" of the facilities. Typically, these upgrades are required every 20-25 years.

In 1998 the WWTF received an upgrade to replace many of the structures and equipment installed in the early 1970's. In 2021, upgrades commenced to replace infrastructure from the original 1970's WWTF and from the 1998 upgraded infrastructure. Milestone 1 of the slated upgrades was completed in 2024 with additional upgrades slated for completion as part of Milestone 2 and Milestone 3. The Towns of LF and Jay will be spending +/- \$21M on the current upgrades, of which +/- \$16M will be State and Federally grant funded and +/- \$5M will be funded via low interest loans through the Maine Department of Environmental Protection's (ME DEP) State Revolving Loan Fund via the Maine Municipal Bond Bank.

The upgrade to the LF WWTF is currently in the process of wrapping up Milestone 2 of the WWTF's upgrade. The new odor control unit and the new sludge dewatering volute press are now in operation. And, the bar screenings wash press installation is nearly complete.

Over the next 18 months, Milestone 3 upgrades will be taking place. The secondary clarifiers will receive new drives, sludge collection mechanisms, new weirs and scum baffles, and the internal catwalk structures will be replaced. Three main flow pumps and two aeration blowers will be replaced. A maintenance/storage garage will be constructed over the site of the former chlorine contact tanks. Nearly 100% of the Milestone 3 work will be funded using Federal grant money.

With most of the equipment and infrastructure of the planned upgrades now operational, the facility has been able to consistently meet, or in most cases exceed, the discharge permit parameters set by the ME DEP and the U. S. Environmental Protection Agency. Once all the current upgrades have been completed, and with the proper operation and maintenance, the LF WWTF will be ready to serve the communities of Livermore Falls and Jay for the next 25 years.

The ME DOT plans to start the Route 17 project during the summer of 2026. Much like ME DOT's Route 4 (Main Street) project back in 2012-2014, most all the infrastructure beneath the street will be rehabilitated or replaced before the surface is repaved. As approved by the voters, the LFSD will be rehabilitating or replacing the sewer infrastructure from the intersection of Route 17 (Park Street) and Foundry Road to the intersection of Route 17 (Main Street) and Church Street, including short spurs up Church, Union, and Depot Streets. The LFSD has budgeted \$2.351M for the sewer portion of the ME DOT's Route 17 reconstruction project. We are confident that LF will receive grant funding to cover a large portion of the cost of this project to reduce the amount of loan money that the sewer customers will be required to repay.

Although the LF WWTF upgrades are nearing completion and +/- 2.1 miles of sewer infrastructure will be rehabilitated and or replaced as part of the ME DOT's Route 17 project, there are still many miles of sewer main and 3 sewer pump stations around the Town that will require rehabilitation or replacement in the near future. Sewer infrastructure operation and maintenance is not simply a "one and done." It is an ongoing investment that requires adequate maintenance, repair, replacement, and funding to reliably and cost effectively serve the sewered customers and protect the environment.

Respectfully,

Mark L. Holt

Supt., LF & Jay Sewer Dept.'s

To the Citizens of Livermore Falls:

March 2, 2026

The Trustees of the Livermore Falls Water District hereby submit this annual report for the year ending December 31, 2025.

The district has passed all the states required testing for the year.

In May of 2025 the district had its 1-million-gallon reservoir on Baldwin Hill cleaned and had a mixer installed to the reservoir to help lower disinfection-by-products. The district also had its 310-thousand-gallon tank at Woodchuck Hill cleaned.

The district implemented a 1.5% rate increase in August of 2025.

The district also had its raw water pump repaired in October of 2025.

The district completed the install of a PLC which takes the place of the PLC installed in 1994.

The district with the help of Wright-Pierce, has completed the design phase of the Main Street Project and anticipate the project going out to bid for construction in the spring of 2026.

The district has also installed 150+ new meters as part of our meter replacement program, so we will be calling each customer at some point in the future, for a meter changeout.

Along with the general day-to-day operations, we repaired 5 main breaks, replaced 6 services, repaired 1 other service, installed 3 new services, and assisted the Fire Dept. with 4 fires and a rekindle.

Respectfully submitted

Daniel Leclerc, President

LFWD Board of Trustees

*Town of Livermore Falls*  
Code Enforcement Department  
FY2025 Annual Report

The Code Enforcement Department administers local land use regulations, issues building permits, conducts inspections, and enforces applicable state and local codes including plumbing and subsurface wastewater requirements. The office also coordinates with state agencies such as the Maine Department of Health and Human Services and the Department of Environmental Protection when required.

During Fiscal Year 2025 the department reviewed and permitted a variety of projects including residential construction, renovations and additions, accessory structures, solar energy installations, plumbing installations, and subsurface wastewater systems. These projects represent continued reinvestment in residential and commercial properties throughout the community.

Activity Snapshot

- \$11,544 in Code Enforcement permit fees collected
- Permitting activity included building, plumbing, solar and subsurface wastewater permits
- Projects ranged from residential improvements and new structures to energy and infrastructure installations

Permit fee revenue helps offset the administrative costs associated with permit review, site inspections, and ensuring development occurs safely and in compliance with applicable regulations.

Permit records from earlier in the fiscal year varied in format, and the department is currently implementing more consistent permit tracking and record management practices to improve reporting and administrative efficiency in future years.

The Code Enforcement Office continues to work cooperatively with residents, contractors, and town officials to support safe development and compliance with local ordinances and state regulations.

Respectfully submitted,

A handwritten signature in cursive script that reads 'Bryce E. Cobb'.

Bryce Cobb

Code Enforcement Officer

Local Plumbing Inspector

# Livermore Falls Fire Department Annual Report for 2025

Dear Residents of Livermore Falls,

The Livermore Falls Fire Department remains committed to protecting life and property through emergency response, training, and community service. Over the past year, our focus has been on strengthening our ability to respond effectively while ensuring the safety of our firefighters and the community we serve.

In 2025, several key improvements were made to enhance our operations. The department placed Engine 3, a 2006 Pierce pumper, into service, replacing a 30-year-old apparatus and significantly improving our firefighting capabilities. We also added 900 feet of 4-inch supply hose to strengthen water delivery at fire scenes, replaced aging fireground equipment to ensure reliability, and introduced LED traffic control signs to improve safety during roadway incidents. In addition, outdated protective gear was replaced to meet current national safety standards, helping ensure our firefighters are properly equipped when responding to emergencies.

The department currently consists of 18 active firefighters and 3 junior members, with 4 new firefighters joining in 2025. Our members responded to 197 calls for service this year, including fires, motor vehicle accidents, emergency medical calls, alarms, and weather-related incidents. These responses reflect the wide range of services the department provides and the continued demand for emergency services within our community.

Looking ahead, one of our top priorities is reinstating our EMS license. While several members are trained EMTs, we are currently unable to provide patient care upon arrival due to the department not holding an active EMS license. Restoring this capability will allow our members to deliver immediate medical care on scene, improving response times and patient outcomes for those in need. The department will also continue to evaluate long-term needs, including options to improve our response to multi-story structures, while maintaining a strong focus on training, recruitment, and operational readiness.

We remain committed to providing dependable, professional emergency services and to continuing to meet the needs of the community as they evolve. We also encourage anyone interested in serving their community to consider joining the department.

We would like to thank the Town of Livermore Falls, the Selectboard, and Town Administration for their continued support.

Respectfully submitted,

Chief Nathan Guptill

Assistant Chief Bobby Cummins

### Librarian's Report 2025

Treat Memorial Library patrons saved \$92,369.11 in 2025 by using their library instead of purchasing materials. Thanks in part to a grant from the John Eldred Jr. Foundation, we established a Homeschool Section of educational and interactive books, games, and other materials aimed at assisting our growing homeschooling population in the community. We were also able to provide museum passes to the Railway Village Museum, Coastal Maine Botanical Gardens, Maine Gem & Mineral Museum, Maine State Parks, Maine Wildlife Park, Western Play Museum, and the Maine Museum of Innovation, Learning, and Labor.

Our summer reading theme was "Level Up", which had a creative play and gaming theme. Readers collected the "7 gems" of the "Book Wyrms" as they read through the summer. Chewonki returned to teach biomimicry and we had a visit from Chunk from Within the Whale, a giant inflatable whale that patrons could walk into and learn all about humpback whales. Supa Dupa Dog Man party (a party based on the popular *Dog Man* book series) was enough of a hit that patrons requested a repeat party in the winter. We had 23 readers of all age groups.

Other special programs included a Black Light Paint Night, Fall in Love with Bunnies (where patrons got to visit with therapy bunnies), Mad Science of Maine, and a fundraiser improv show with the Teachers Lounge Mafia. We established Story Time to Go packets so that more families could participate in early literacy activities at their own convenience. Our regular programs include Book Club (themes included Reader's Choice and Romantic Reads), Homeschool Group, Craft Circle, Lego Explorers Club, Tails and Tales with Love on a Leash therapy dogs, and a visiting Spruce Mtn. Adult Ed tech tutor every Friday. We continue to offer our used book store, where patrons can purchase books by donation to support the library. Treat Memorial Library celebrated its 70<sup>th</sup> anniversary with a patron appreciation book basket raffle and book mark contest.

Thank you all,

Respectfully submitted,

Brianna Rush  
Director

We had a great summer at Rec! Six weeks of programming and ten field trips for 151 kids. A special visit from Mr. Drew and His Animals Too was a huge success! Our crew ranged from 5-13 years old and were split into three age groups. We hired four adult counselors and eight high school counselors who worked together amazingly! We climbed mountains, journeyed into the woods, looked for critters, built survival structures, created a myriad of artworks, played sports on the fields, dodged balls in the gym, and used the space to its fullest! The middle school cafeteria was a refuge from the summer heat, a place where kids could cool down, eat meals, and stay dry when it rained. We were very fortunate to have hot lunch served four days a week with bagged lunches on Fridays and field trips. Every Friday, we worked together and cleaned as the kids enjoyed popsicles and popcorn whilst awaiting their rides. Our yearly trip to Funtown/Splashtown went off without a hitch thanks to the teamwork and diligence of our crew! We finished with an excellent talent show! While the kids performed and cheered their compatriots on, a few of the counselors moved gear to storage and we finished the summer on a very high note.

Emma Dipompo

2025

## ANNUAL PLANNING BOARD REPORT

To the Town Residents, Select Board, and the Town Manager.

The Planning Board meets on the third Wednesday of every month at 6:00 pm at the Town Office. We welcome community members to join us. There are five members of the Planning Board and two alternate members. We welcomed the new alternate member, Brian Blanchard, in 2025. For your convenience, the meeting agendas and approved minutes are posted on the Town's Facebook page.

The Livermore Falls Planning Board's job is to ensure that land development meets the requirements of the current Land Use and Building Ordinances or develop new Ordinances to support the community's long-range goals that are outlined in the Town's Comprehensive Plan. Any changes in Ordinances or the Comprehensive Plan must be reviewed and be approved by vote of the residents of Livermore Falls.

During the calendar year 2025, the Planning Board:

- Reviewed five Site Plan Review Applications with corresponding Public Hearings:
  - a. January – The 15-lot sub-division, West View and Farm's Edge, on Moose Hill and Souther Road (former Parker Property) owned by Jim & Jared Boyle
  - b. June – Mike and Michelle Mullen submitted an application to expand Stevie Js Restaurant to make it a year-round take-out restaurant on Main Street
  - c. October – Rise Cannabis submitted an application for a retail medical marijuana store adjacent to The Pharm on Main Street but they have not pursued the initial request.
  - d. October – ION Solar provided an initial presentation for the Solar project that they will install on the Town's landfill on Diamond Road in 2026
  - e. November – A 7-acre Solar Project managed by STANTEC FOR EDP Renewables at 53 Diamond Road – land owned by the Flaggs (to be started Spring 2026).
- Drafted three Ordinances:
  - a. Many residents asked the Planning Board to amend the Solar Ordinance to limit the future size of Solar projects to 15 acres. Additional changes were made to update the acronyms for the references to the National Electrical and Fire Safety standards.
  - b. As the result of an overwhelming request from the Town's residents, the Planning Board amended the current Medical Marijuana Ordinance to restrict openings of any additional medical marijuana and recreational marijuana retail stores. The new ordinance was not passed by the voters in June 2025. A Committee of some of the Medical Marijuana store owners are working with the Select Board and Town residents to amend the current Medical Marijuana Ordinance to include Recreational/Adult Use Marijuana. They plan to offer it to the residents for a vote in 2026.
  - c. The updated Animal Control and Dog Ordinance was not passed by residents in June 2025. The Governor is reviewing several new bills that address farming and domestic animals so the Planning Board will postpone addressing a new Ordinance until these bills are finalized in January 2026.
- The initial draft of Comprehensive Plan was submitted to AVCOG and Legal Review in November 2025.

We thank you for the opportunity to serve the Livermore Falls Community on the Planning Board.

Sincerely, Tom Barker, Chair  
Tim Fournier, Secretary  
Arin Quintel, Alternate

  
Bernal 'Bill' Bailey,  

Carole Barker, Vice Chair,   
Gayle Long, Secretary,   
Brian Blanchard, Alternate, 

## Budget Committee

To the Citizens, Select Board and Town Manager of Livermore Falls,

The Town of Livermore Falls Budget Committee is an advisory committee of volunteers. Their primary purpose is to participate in the development of the annual Town budget. In Livermore Falls, this is accomplished by participating in a series of Budget Workshops attended by the Select Board, Budget Committee, Town Department Managers, and the Town Manager. During the sessions the members of the Budget Committee represent the voters of Livermore Falls and voice their perspective on expenses and programs, both existing and newly proposed, as well as the assumptions used to build the budget. In all matters the Committee is thinking of what impact the Budget will have on taxes paid by the town residents. The Committee will voice its opinion on the expense budget approved by the Select Board on the Town Warrant.

Second to the annual budget process, the Committee reviews the Town's revenue and expense budget and actual on a quarterly basis. The goal is to monitor whether or not department spending is within the initial budget crafted the prior year. In addition, the Committee reviews the Town's cash position and the balances of its various funds, both designated or reserve, and general. As part of this review, the Committee checks to see that expenses are properly coded to their correct expense account.

The Committee continues to review the Town's quarterly financial statements and most recently, been an active participant in the annual Budget development process.

The Budget Committee thanks the Town Manager and Treasurer for their support and cooperation throughout the year.

Respectfully submitted,

Livermore Falls Budget Committee,

Sharon Bailey

Patty Henges

# FOOD CUPBOARD OF JAY, LIVERMORE AND LIVERMORE FALLS

PO Box 314

Livermore Falls Maine 04254

To our donors, volunteers, town officials and community members of Jay, Livermore and Livermore Falls,

This annual report, from fiscal year 2025, details our mission commitment, goals, challenges, achievements and proposal for the upcoming year.

Our mission stands firm in supporting the community of Jay, Livermore and Livermore Falls by providing a 3 day supply of supplemental food/meals. Those who are experiencing food insecurity, and live in the Tri town area, can visit the food cupboard at the St Rose Community Center where they will receive a monthly box. Days of operation are Tuesday 2-4 pm and 6-8 pm, Wednesday 2-4 pm and Thursday 2-4 pm.

We are committed to continue this initiative while navigating difficulties that arise in a community that has seen regional economic decline with the closure of the paper mill in April 2023, inflated cost of groceries and recovery from SNAP benefits withheld during the government shutdown in November. We have seen an increase in client usage with 6,043 of our neighbors served compared to 2024 that saw 4,760. The breakdown between towns is as follows:

Jay 41.5% (down from 48.6% in 2024)  
Livermore Falls 48.8% (up from 42.1% in 2024)  
Livermore 9.7% (up slightly from 9.2% in 2024)

We found that our food donations have increased from the prior year though surplus food had sharply declined:

Retail grocery donations: 56,043 lbs (2025) up from 51,199 lbs (2024)  
Area Churches: 2,994 lbs (2025) down from 3,346 lbs (2024)  
Local food drives: 3,116 lbs (2025) up from 810 lbs (2024)  
"Other" donations (ex. donated game meat from local hunters): 3,621 lbs (2025) up from 2,097 lbs (2024)  
Total donations: 65,774 lbs (2025) up from 60,185 lbs (2024)  
These donations have been greatly received as "surplus food", delivered by the Good Shepherd Food Bank, had sharply declined. We received 30,199 lbs of surplus food in 2025 down from 52,820 lbs in 2024.  
Total food (donated and surplus): 95,973 lbs down from 113,005 lbs in 2024.

This was a generous year of donations from community members totaling \$34,903 up from \$31,838 from 2024. Donations come in the form of personal donations, memorial donations and fundraising campaigns. The annual Flowers for Food and inaugural pancake breakfast/sale of maple syrup saw a combined income of \$3,766 (\$2,506 from Flowers for Food and \$1,680 from pancake breakfast/sale of maple syrup). Grant money awarded totaled \$24,027. This gave us a total revenue (donations, awarded grants and interest gained from a CD account) of \$66,208 up from \$33,319 in 2024. This has allowed us to stabilize the Food Cupboards savings account as in the prior 2 years we ran a deficit (-\$14,770 in 2024 and -\$12,222 in 2023).

Grant money awarded from the Agnes Lindsey Foundation (\$3,000) and Franklin Savings (\$5,600) went to the annual Thanksgiving baskets (total cost of baskets \$7,833).

Food purchases totaled \$35,871 in 2025 up from \$33,513 in 2024. Money from donations had purchased meals for 6,086 households and individuals in 2025 up from 5,186 households and individuals served in 2024. We had an overhead cost (rent, filing, insurance, equipment purchases and office supplies) of \$14,118 in 2025 down slightly from \$14,576 in 2024. Our expenses in 2025 was \$49,990 up from \$48,089 in 2024.

Our total assets (as of December 31, 2025):

\$78,324.09

Revenue (donations, grants, interest from CD):

\$66,208.20

Expenses (food purchases, rent, filing fees, insurance office supplies, equipment purchases, plowing and "other" expenses:

\$49,990.95

We continued our efforts in providing Thanksgiving boxes distributed for the holiday. Families were provided a gift card (restricting sale of tobacco and alcohol) to go toward a turkey or ham, box dressing, pie crust with pudding, potatoes, apples, canned vegetables and gravy packets. This has been well received by the community and this past year we were able to provide 829 of our neighbors from 261 families a Thanksgiving meal. This is up from 639 of our neighbors from 197 families in 2024. The cost of this year's baskets totaled \$7,833.93 up from \$5,600 in 2024.

Volunteers continued to use the new online intake process which tracks our client usage with an online portal, used in partnership with the Good Shepherd Food Bank, called Service Insights on MealConnect (SIMC). This enables a secure means of tracking metrics that can go toward improvement of programs and services and data can be used to better represent our community that can go toward policy and fundraising decisions. Using the online portal has provided more security (encryption technology similar to what is used in banks) than paper.

We continue to explore fundraising opportunities. We have found great success with the "Flowers for Food" campaign in the spring and are continuing our efforts with the sale of maple syrup and a pancake breakfast during Maine Maple Weekend.

This past year has seen a great need for our area food cupboard. With continued support and perseverance we believe that this will continue to be a much needed service for our neighbors. We thank all of our donors, area businesses, local leaders, places of worship and volunteers for their hard work and dedication to this worthy cause.

Sincerely,

Board members of the Food Cupboard of Jay, Livermore and Livermore Falls

## Report of the Livermore-Livermore Historical Society

The Historical Society continues to enjoy welcoming residents to our meetings and programs, which are held May through October. These gatherings often include presentations, guest speakers, and opportunities for members to share historical items and stories. Meetings are held at the North Livermore Baptist Church on the last Wednesday of the month at 1:30 p.m., and everyone is welcome. We are also hoping to host an open house this summer so residents can see the progress we`ve made and learn more about what the Society does.

Looking ahead, we are focusing on a few important building projects, including replacing the roof and upgrading the handicap ramp. These improvements are necessary to protect our collection and make the building safer and more accessible for everyone. Donations towards these projects are always appreciated and go directly toward preserving Livermore`s history for future generations.

As we look forward to the next 50 years, the Livermore-Livermore Falls Historical Society remains committed to preserving the past and sharing it with the community.

Respectfully submitted,  
Gary Desjardins, President

**2026-2027 Annual Town Meeting Warrant  
Town of Livermore Falls, Maine  
April 28, 2026**

To: Ibrahim Y. Haroon, a constable of the Town of Livermore Falls, in the County of Androscoggin, in the State of Maine:

**Greetings:**

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Livermore Falls in the County of Androscoggin, in the State of Maine, qualified by law to vote in Town affairs, to meet at the Livermore Falls Town Office in said Town of Livermore Falls on Tuesday, the 28<sup>th</sup> of April, 2026, at 8:00 in the forenoon, then and there to act on the following articles to wit. For voting on Articles 2 through 23 by secret ballot, the polls will open at 8:00 o'clock in the forenoon and close at 8:00 o'clock in the evening.

**Article 1.** To choose a Moderator to preside at said meeting.

**Article 2.** To choose by secret ballot the following Town Officials:

- One Selectman/Assessor for a two-year term;
- One Selectman/Assessor for a three-year term;
- One RSU #73 School Board Director for a three-year term; and
- One RSU #73 School Board Director for a two-year term;
- One RSU #73 School Board Director for a one-year term.

**To vote by secret ballot on the following Referendum Questions:**

**Article 3.** To see if the Town will vote to fix the date when real and personal property tax payments become due and payable with the first payment being due on Thursday, October 1, 2026, and the second payment being due on Thursday, April 1, 2027; and to instruct the Tax Collector to charge interest at a rate of 7% per annum on the unpaid balance of taxes beginning October 23, 2026 and March 19, 2027, respectively.

**Article 4.** To see if the Town shall affix an interest rate of 7% to any biannual sewer assessment not paid within the due date as established on the annual billing.

**Article 5.** To see if the Town will vote to raise and appropriate from taxation and other sources the sum of \$516,992 for the ensuing year for General Government (Select Board, Committees, Administration, Elections, Treasurer, Assessing, Code Enforcement, General Assistance, Contingency, Legal).

*Select Board vote: yes 4 no 0 abstain 0 absent 1  
Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 6.** To see if the Town will vote to raise and appropriate from taxation and other sources \$1,259,453 for the ensuing year for Public Safety (Police Department, Fire Department, Health Officer, Hydrants, Ambulance Service, Street Lights, Animal Control).

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 7.** To see if the Town will vote to raise and appropriate from taxation and other sources \$830,460 for the ensuing year for Public Works (Public Works, Roads, Buildings and Grounds, Transfer Station).

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 8.** To see if the Town will vote to raise and appropriate from taxation and other sources \$984,200 for the ensuing year for Sewer Department (Sewer and Sewer Treatment).

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 9.** To see if the Town will vote to raise and appropriate from taxation and other sources \$219,157 for the ensuing year for Culture and Recreation (Library, Community/Parks, Summer Recreation, Town Clock).

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 10.** To see if the Town will vote to raise and appropriate from taxation and other sources \$847,929 for the ensuing year for Benefits (Insurances, Benefits).

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 11.** To see if the Town will vote to raise and appropriate from taxation and other sources \$348,320 for the ensuing year for Capital Projects.

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 12.** To see if the Town will vote to raise and appropriate from taxation and other sources \$413,447 for the ensuing year for Debt Service.

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 13.** To see if the Town will vote to raise and appropriate from taxation and other sources \$13,500 for the ensuing year for Agencies (Cemeteries, Agency Requests)

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 14.** To see if the Town will vote to appropriate from the revenue of the Town's Tax Increment Financing District, the sum of \$8,000 for donation to the Jug Hill Riders.

*Select Board vote: yes 4 no 0 abstain 0 absent 1*  
*Budget Committee vote: yes 4 no 0 abstain 0 absent 1*

**Article 15.** To see if the Town will vote to appropriate all Revenues received that are not dedicated or otherwise appropriated for other purposes for other expenses to reduce the tax commitment. Estimated revenues \$2,403,963.

**Article 16.** To see if the Town will vote to accept and appropriate estimated revenues in the sum of \$1,066,211 from State and Federal Revenue sources to reduce the property tax commitment.

**Article 17.** To see if the Town will vote to authorize the Select Board to carry forward any Unexpended Account Balance as they deem advisable and to authorize the Select Board to set at a later date the amount of such Surplus, if any, to reduce the tax commitment.

**Article 18.** To see if the Town will vote to authorize property tax abatements to be approved by the Select Board/Assessors from the property tax overlay or, if necessary, Unassigned Fund Balance.

**Article 19.** To see if the Town will vote to authorize the Select Board to retain, sell, or dispose of any real estate acquired by the Town for non-payment of sewer assessments thereon, for such terms as they may deem advisable and in the Town's best interest, and to execute quitclaim deeds for such property.

**Article 20.** To see if the Town will vote to authorize the Select Board to dispose of tax-acquired property as they deem in the best interest of the Town, pursuant to the process set forth in 36 M.R.S.A. §943-C.

**Article 21.** To see if the Town will vote to, in accordance with 36 M.R.S.A. §506, to authorize the Tax Collector and Town Treasurer to accept prepayment of taxes not yet committed and pay no interest thereon.

**Article 22.** To see if the Town of Livermore Falls (P0109) will vote to change its plan for its eligible general government employees effective July 1, 2026 for future service only.

The Town agrees:

- a) To provide Regular Plan AC to its general government employees who regularly work more than 20 hours per week who are not seasonal or temporary for service rendered after June 30, 2026. Service accrued by general government employees before July 1, 2026 remains under Regular Plan AN; and
- b) To continue to provide Special Plan 1C to its police officers who regularly work more than 20 hours per week who are not seasonal or temporary; and
- c) To continue to exclude all other employees, including those who regularly work 20 hours per week or less, seasonal employees, temporary employees and elected officials from participating in The Plan; and
- d) To authorize the Town Manager to sign the Amended Agreement between the Town and the Maine Public Employees Retirement System.

**Article 23.** Shall an ordinance entitled "Town of Livermore Falls Cannabis Ordinance" as revised March 2026, be enacted?

The Select Board hereby give notice that the Registrar of Voters will be at the Town Office on \_\_\_\_\_ for the purpose of accepting registrations and correcting the voting list.

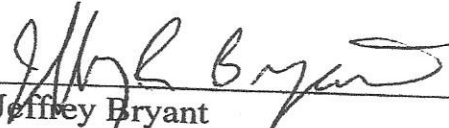

A person who is not registered to vote may not vote in any election.
