1. Call meeting to order

Will opened meeting at 5:00

3.1 Partial closure of Knapp Street

Carrie told the Board there are several bricks that have come down onto the sidewalk from the Church. The road is not wide enough for 2 way traffic if they close down 1 lane and therefore for safety reasons would like to close that portion of the road.

Bill has presented a map to the Board of the proposed closure.

There are several ways to go around the closed road so would not be to much of an interruption To the traffic.

Bill has put large barriers out and has purchased orange fence to close off the area.

Bruce made 1st motion to move forward with closing the road
